A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

Step 1: Organize Your Registration Materials

You will need the following items to register:

BYU General Catalog
Description of all courses and university and major requirements. Available at the BYU Bookstore or may be ordered by sending $3.00 to BYU Mail Service, 230 UPB.

Telephone Registration Work Sheet
Attached inside cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes
List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule. Go on to Step 2. (See page 7.)

New Students are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students: Questions a Student Must Be Able to Answer

What is a credit hour?
A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?
The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?
A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Advisement.

How do I request classes?
Students request classes using a Touch-tone telephone. All new freshmen should complete the telephone registration work sheet (see inside cover) and have alternate sections available. This will enable the student to submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, if necessary, you can choose from the classes *listed below.*

The classes below are chosen from university and general education requirements. Most students will attend six classes (15 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

Step 2: Plan Your Schedule

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Consult the listing of classes beginning on page 33. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

Step 3: Complete the Telephone Registration Worksheet

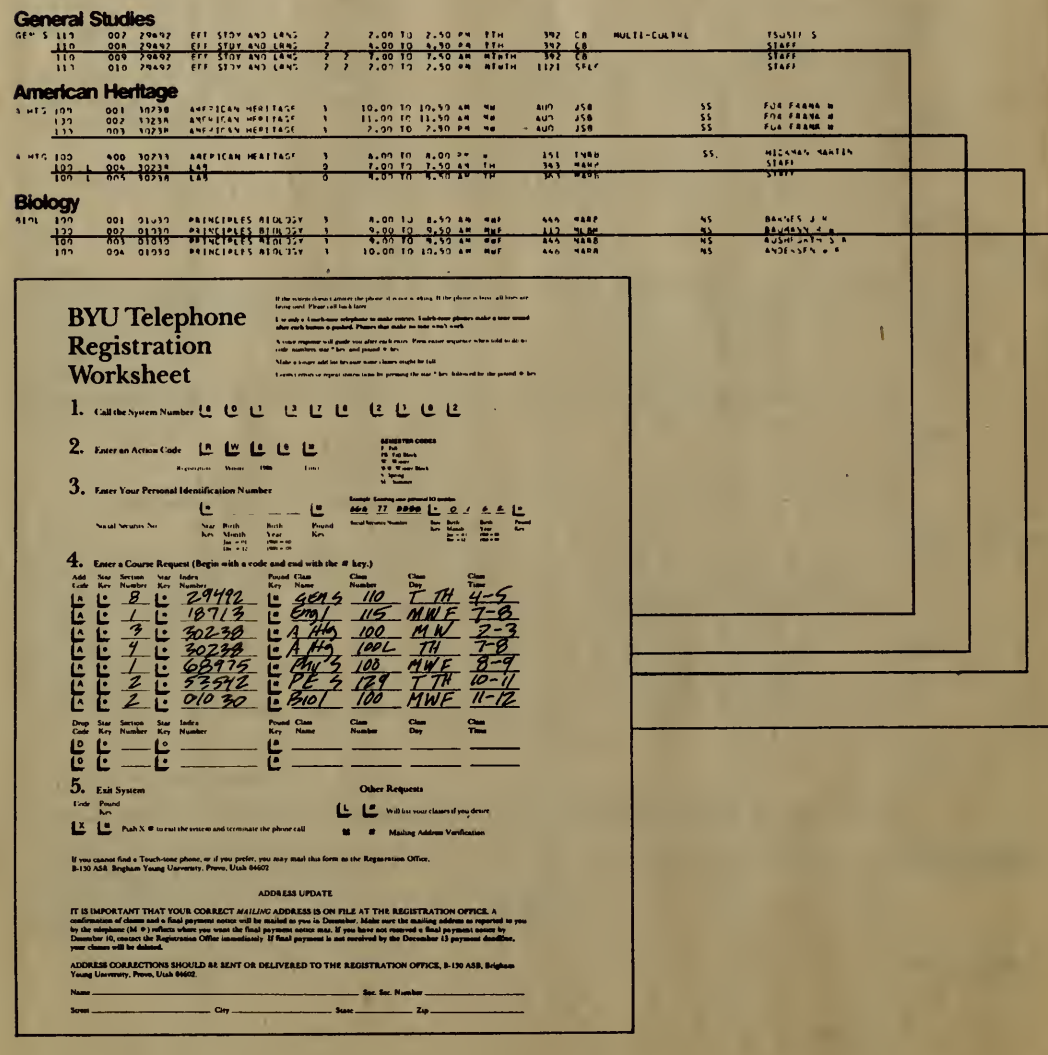

The telephone registration work sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet
(New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, or if you prefer, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

If you cannot find a Touch-tone phone, or if you prefer, you may mail this form to the Registration Office. B-130 ASB Brigham Young University, Provo, Utah 84602

ADDRESS UPDATE

IT IS IMPORTANT THAT YOUR CORRECT *MAILING* ADDRESS IS ON FILE AT THE REGISTRATION OFFICE. A confirmation of classes and a final payment notice will be mailed to you in December. Make sure the mailing address as reported to you by the telephone (#) reflects where you want the final payment notice sent. If you have not received a final payment notice by December 10, contact the Registration Office immediately. If final payment is not received by the December 15 payment deadline, your classes will be deleted.

ADDRESS CORRECTIONS SHOULD BE SENT OR DELIVERED TO THE REGISTRATION OFFICE, B-130 ASB, Brigham Young University, Provo, Utah 84602.

Name _____ Soc. Sec. Number _____

Street _____ City _____ State _____ Zip _____

Step4: Declare Intent to Register

A. **Receive from the Registration Office an Intent to Register form.** Students will be mailed an Intent to Register form in October. If you have not received this form by November 1, contact the Registration Office.

B. **Complete the Intent to Register form by updating your current mailing address.**

C. **Declare your intent to register by returning the form with a $50.00 tuition prepayment** to the BYU Cashier's Office, D-148 ASB, Provo, Utah 84602. Upon receipt of the nonrefundable tuition prepayment, the Touch-tone telephone registration system will be opened for your use.

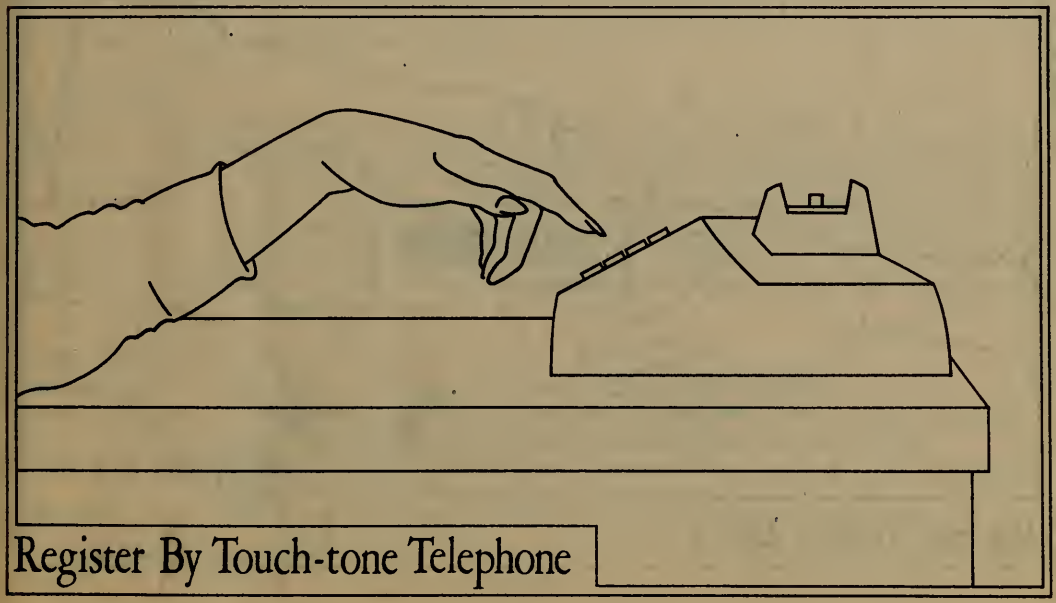

NOTE: BYU scholarship recipients must return the Intent to Register form. No $50.00 prepayment is required.

Step5: Register by Touch-tone Telephone

REGISTER October 1–December 15
Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed). Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register form with a $50.00 payment or verification of your being a recipient of a BYU award or scholarship.

Final Tuition Deadline December 15
All students who register before November 30 will be sent a confirmation of classes and a notice to pay full tuition by December 15. Students who register between December 1 and December 15 will not be sent a notice of payment, but tuition must be paid in full by December 15. If the full tuition payment deadline is met, you may continue to add and drop classes by telephone through January 2.

Late Registration December 16–January 17
A $20.00 late fee will be charged to all late registrants, whether they register by phone or at the Registration Office. You may late register by phone between December 16 and January 2 by paying full tuition plus the late fee. When your tuition and late fee are received, the telephone registration system will be made available to you. Beginning the first day of class, January 6, students should go to the Registration Office to late register.

Register By Touch-tone Telephone

Step 6: Pay Tuition

$50.00 Prepayment Required before Registration

A minimum of $50.00 is required as a tuition prepayment. The prepayment is applied toward total tuition, and the $50.00 is nonrefundable. Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register form with a $50.00 payment or verification of your being a recipient of a BYU award or scholarship.

Address Correction Requested

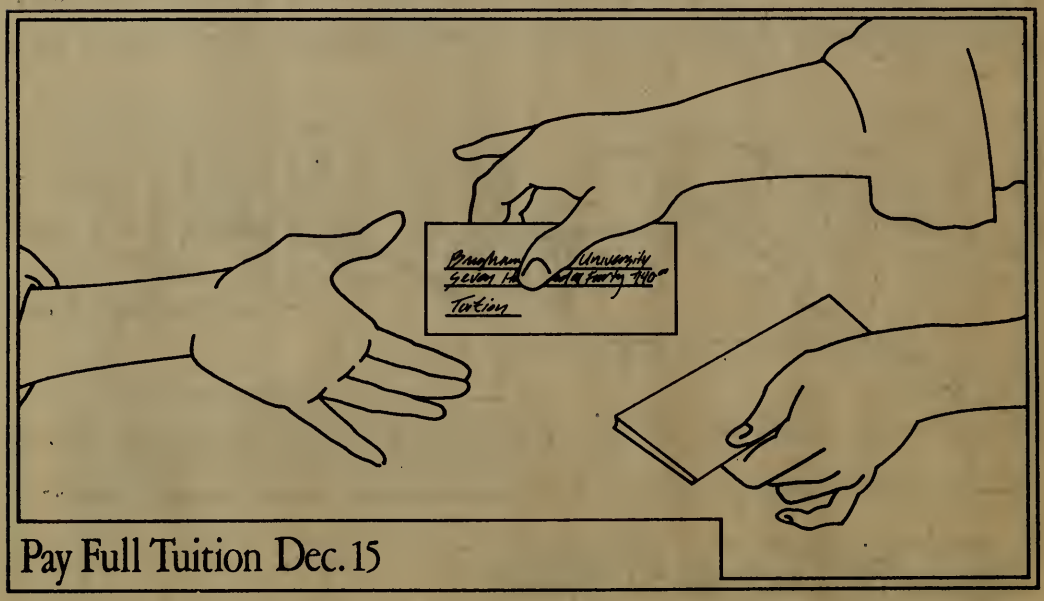

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address along with your $50.00 prepayment. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet inside front cover). Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602.

Final Payment Deadline December 15, 1985

A final tuition assessment and a confirmation of classes will be mailed December 1, 1985. If you register after December 1 or have not received this notice by December 10, contact the Registration Office immediately. The confirmation form accompanied by final payment must be received in the BYU Cashier's Office by 5:00 p.m. December 15. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL LOSE ALL CLASSES FOR WHICH THEY ARE SCHEDULED AND WILL BE REQUIRED TO LATE REGISTER. In the event you do not receive a confirmation form by mail, payment still remains your responsibility and is due by the deadline.

Payment Procedure

The two top portions of the confirmation form and a check or money order to cover the amount of the assessed tuition should be mailed to the BYU Cashier, D-148 ASB, Provo, Utah 84602. Drop boxes are also provided for students on campus who wish to save postage. (Do not use campus mail.)

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the change of registration (add/drop) card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping by Telephone

Students may add and drop classes after registering by using a Touch-tone telephone. Students who declare their intent to register and pay their tuition by December 15, 1985, may continue to adjust their schedules through January 2, 1986.

Adding and Dropping Classes (after class begins)

Students may add or drop classes 24 hours a day by Touch-tone telephone before the first day of class. After school has started, each academic department determines how classes are added. Departments' adding procedures are listed above their class listings in the Class Schedule.

The procedure for using add/drop cards follows:

1. Obtain a change of registration (add/drop) card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in the Class Schedule.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school pay a fee for each class dropped to the university cashier. (The amount of the fee increases each day). The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge for the first two weeks of school and to the Registration Office, B-130 ASB, beginning the third week of classes. Turn the card in before the appropriate deadline listed in the Class Schedule.

Deadlines

During Fall or Winter Semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During Spring or Summer Term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Semester Classes

Janaury 6	M	Classes begin. You may add, drop, or late register for classes.
January 8	W	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the add/drop form.)

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, January 13, 14, 15, 16, and 17. It is not possible to register for an audit class on the advance class request form. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or under 4 hours during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to December 30, 1985. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning October 14, 1985. Late registration will begin on Janaury 6, 1986.

Faculty and staff members who register for evening classes only must register by September 2, 1985.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is $48.00 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration. See page 10. **Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).**

The tuition and fees paid as a part-time undergraduate student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

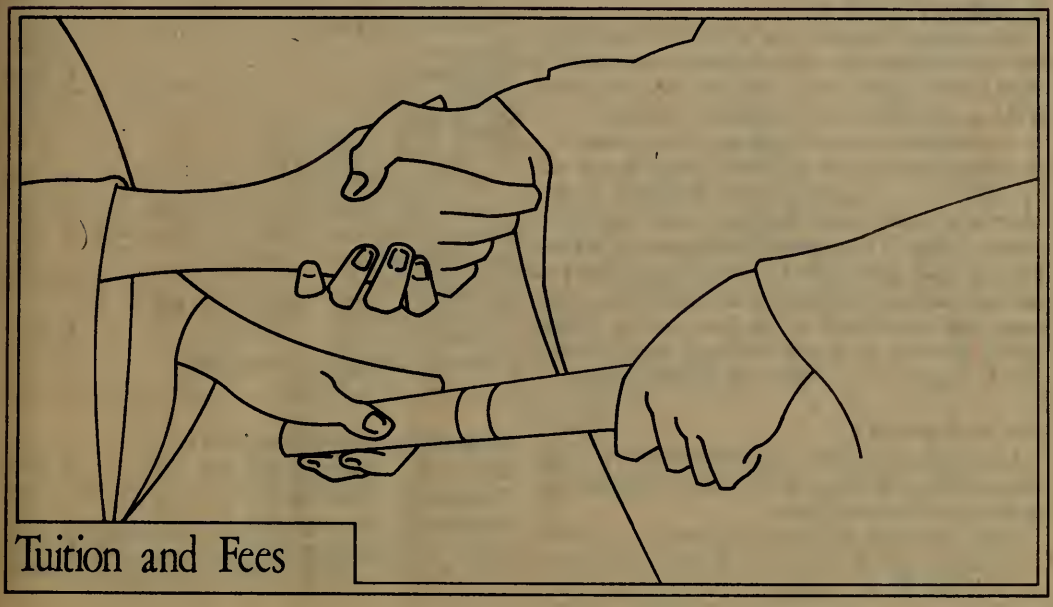

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.

B. All students who have received their first bachelor's degree.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours per semester and 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to the Treasurer's Office.

Tuition and General Fees Per Semester

Undergraduate Students	LDS	Non-LDS
Full-time		
(Over 8 credit hours)	$ 740	$1,110
Part-time	$ 75 per hour	$ 113 per hour

Advanced-Standing Students		
Full-time		
(Over 8 credit hours)	$ 850	$1,275
Part-time	$ 95 per hour	$ 142 per hour

Graduate School of Management Students		
Full-time		
(Over 8 credit hours)	$1,350	$2,025

Law School Students		
Full-time		
(Over 8 credit hours)	$1,380	$2,070
Part-time	$ 140 per hour	$ 210 per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

$50 Tuition Prepayment (nonrefundable)

A prepayment is required of all students who access the telephone registration system prior to December 15. (See page 10 for registration and payment instructions.)

Assessment Adjustment

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. **The activity card must be surrendered at that time.** A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed below.

Late Registration Fee

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After December 15 (Winter Semester) $20.00

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed in addition to a $7.00 dishonored check fee.

Tuition Refunds

If you discontinue school, a refund will be made based on the date you report your discontinuance to the Office of Student Special Services. The following rates apply:

Full-time students

Prior to Jan 6	100% less $50.00
Jan 6–Jan 12	90%
Jan 13–Jan 19	80%
Jan 20–Jan 26	60%
Jan 27–Feb 2	40%
Feb 3–Feb 9	20%
After February 10	None

Part-time students

Inasmuch as all tuition assessments have a minimum nonrefundable amount of $50.00, part-time tuition refunds will be the above percentage of tuition except there will be a minimum $50.00 nonrefundable.

Any refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your discontinuance and have your activity card voided by the Office of Student Special Services (390 SWKT).

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

Class fees refunds are based on the above schedule.

Registering for Spring and Summer Terms allows students to accelerate their progress in many degree programs.

Registration procedures may change due to the development of new systems. Information on new procedures, fees, and deadlines will be published each semester in the Class Schedule.

General Education Program

Philosophy

There is some truth to the statement that "your major gets you a job, but your general education gives you mobility, sanity, and humanity." Although your college major helps you acquire needed depth in a given field, general education is intended to help you develop the breadth, flexibility, and understanding needed to cope with rapid technological change, increased leisure time, and the responsibilities of citizenship in an increasingly complex world.

BYU's General Education Program introduces you to humankind's most valuable knowledge and achievements; it helps develop skills and other foundations for continued learning throughout life.

Guidelines

General education courses should concern not only particular bodies of knowledge or skill but also students' vision, motivation, intellectual honesty, and ability to learn over their lifetimes.

General Education Requirements for the Bachelor's Degree

For an overview of general education requirements see page 5. (For a list of approved courses see the following pages.)

When GE Courses Should Be Taken

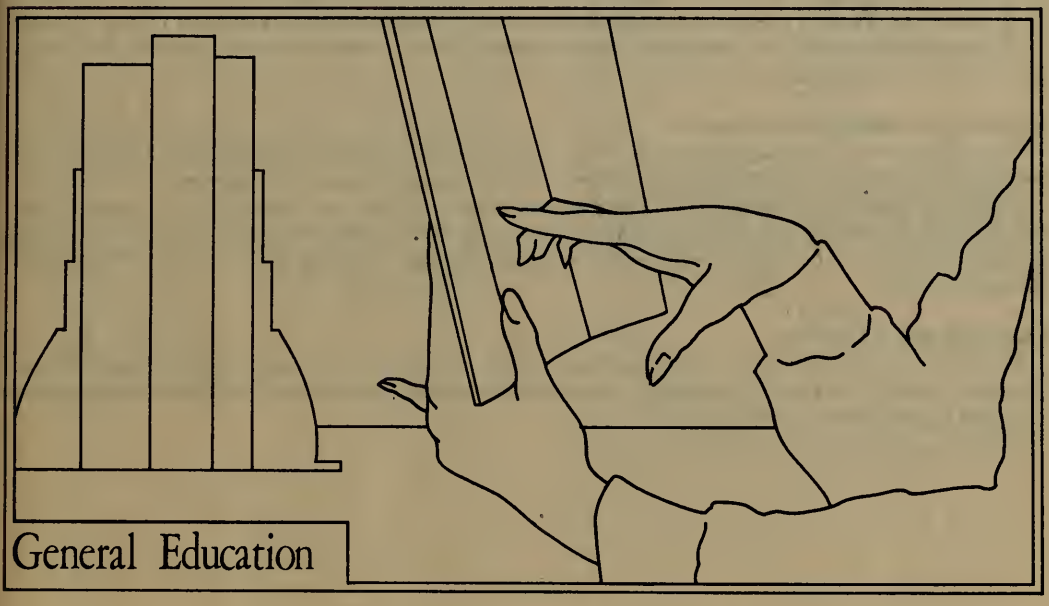

It is important that the courses for Freshman English, Precollege Mathematics, Biology, Physical Science, and American Heritage be completed early in a student's program because these courses treat skills and knowledge that may be prerequisite for some electives. Similarly, courses for the Foreign Language or Mathematics requirement should be completed early in the college career.

Advanced Writing should be completed during the junior year and should never be postponed until the last semester before graduation.

It is highly recommended that the college advisement center be contacted for detailed suggestions on how to coordinate the scheduling of GE and major requirements.

How to Satisfy the GE Requirements

To fulfill BYU's general education requirements, students must enroll in and successfully complete an approved GE course or pass a special examination for graded credit (or, in three cases, for exemp-

tion) for each of the requirements listed on pages 21–23. Most students simply enroll in the courses, but well-prepared students may want to take the special examinations for graded credit (or exemption, where appropriate) through the Testing Center, 265 HGB. The testing schedule can be found on page 24. The testing dates are scheduled early in the semester to allow students to drop classes before the university drop deadline.

Exemption—No Credit or Grade

Exemption examinations for three GE requirements (Freshman English, Precollege Mathematics, and Physical Science) are given in the Testing Center, on a pass/fail basis for no academic credit, during the scheduled testing dates. Authorization is obtained by paying a $5.00 testing fee for Precollege Mathematics or a $10.00 testing fee for Freshman English ($5.00 for Reading and $5.00 for Writing) and Physical Science at the Testing Center. *This option is only available for these three GE requirements.*

The Reading-Writing Center, 1010 JKHB, can assist students in preparing for freshman English exemption examinations.

Students who pass the exemption examinations for Freshman English (exemption pass level is an examination score of B- or higher) have the option of purchasing the academic credit and having the grade posted on their transcript (see the Special Examination for Graded Credit procedure below).

To receive an exemption from Physical Science, students must receive a grade of B- or better. Students who receive grades of C- or above and want GE credit may purchase the academic credit and have the grade posted on their transcript (see the Special Examination for Graded Credit procedure below).

Students who take the exemption examination for Math. 99 do not have the option of purchasing academic credit and having the grade posted to their transcript, because Math. 99 is a noncredit course.

Sample test questions can be found in the GE Guide, which is in college advisement centers, departmental offices, and college deans' offices.

NOTE: All *first-semester or first-term students* at BYU may take the examinations for Freshman English (Reading and Writing) and Precollege Mathematics *free of charge,* one time only, on the dates listed in the testing schedule. The normal testing fee will be charged for any retakes and any examinations taken after the first semester or first term.

Special Examination for Graded Credit

Special examinations for graded credit (challenges) must be arranged through the Testing Center or the department offering the course. Authorization is obtained by paying a $5.00 testing fee for Precollege Mathematics and $10.00 for all other examinations. (First-semester or first-term students can take these examinations free of charge as noted above under Exemption.) Students enrolled in the challenged course who have passed the special examination for graded credit and prefer to drop the course must do so officially before the university drop deadline. They must then purchase the academic credit for $5.00 per credit hour (in addition to the testing fee), and have the letter grade posted to their transcripts. There is a maximum credit-hour fee of $40.00 in any one department in any semester.

Additional information on testing procedures is available in college advisement centers, the Testing Center, and the General Education Office (1206 SFLC).

Where to Get Additional Information

The routine source of information and advice about the GE Program is the college advisement centers, which can give students an up-to-date report of their progress in the GE Program.

Additional information about BYU's General Education Program can be found in the General Education Guide (located in college advisement centers, deans' offices, and departmental offices) as well as in the BYU General Catalog. Further help is available through Tele-Tip (378-7420) and the General Education Office.

Class Schedule GE Codes

For your convenience, a GE column has been added to the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

University Honors Program

Who May Register?

Any capable and motivated BYU student may register for Honors general education courses. However, we recommend that the student have a composite ACT of at least 27 or a cumulative university GPA of 3.5 and above. Formal membership in the University Honors Program is no longer required. Honors courses offer enrichment and additional rigor to all highly motivated and intellectually gifted students.

What Are the Advantages of the Honors Program?

Honors classes are generally smaller than other GE classes, and the teachers and students are among BYU's finest. Diligent and capable students perform better and learn more when they work closely with others who are stimulating. Honors classes include an emphasis on discussion and writing. Further, they count toward graduation with University Honors, BYU's most prestigious graduation recognition. Importantly, students completing an Honors class receive an early registration privilege for the next semester. (An Honors class is defined as any class for which *Hon P* or *Honors* precedes the course number or lists *Honors* as the first word in the title, e.g., *Hon P* 202 Language *or* Engl. 382H *Honors* Shakespeare. Only *Honors GE* courses count—not religion and not recommended sections of beginning language courses.) This means that as long as the student is conscientiously seeking the most rigorous undergraduate education, the university will process his or her class request form early. This allows better access to the classes and teachers one needs to fulfill high educational aspirations. If in a given semester the student does not complete an Honors class, the early registration privilege is lost for the following semester, but can be reinstated following any semester during which an Honors class is successfully completed. (Entering freshmen should contact University Honors Program personnel to learn how they may qualify for the early registration privilege.)

What about Grading in the Honors Program?

Students selecting Honors classes should be aware that these classes will be taught and graded on the level of the superior student. However, academically capable and hard-working students do very well in Honors classes. In fact, on the average they receive slightly higher grades in Honors classes than in their other classes in any given semester. Honors classes are not graded on a curve, but the main reason that students do well is that Honors classes typically are stimulating, demanding, and fulfilling. Students are motivated to perform well, and they do; hence their grades are higher.

What Are the Requirements for Graduation with University Honors?

1. Successfully complete six or more Honors GE classes in areas outside of one's major.
2. Maintain a 3.5 GPA both in Honors classes and in all other classes.
3. Learn any classical or modern foreign language to the GE requirement level.
4. Achieve a proficiency in mathematics to the GE requirement level.
5. Complete an acceptable Honors Thesis (a serious research project in one's major that is usually undertaken early in the senior year).
6. Read and write a two-page critique of at least twenty books selected from the Honors Recommended Reading List.
7. Complete an application for the University Honors designation by the established deadline.

NOTE:

Qualified students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the above requirements:

Obtain a free Honors Class Schedule containing a complete course listing and detailed descriptions from the University Honors Program Office, 350 MSRB, or call (801) 378-3523. This is an essential supplement to the university Class Schedule. Additional important information (including greater detail on all the above) is also available from the Honors Office.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

It is your responsibility as a student to know the academic standards at BYU. Once admitted to BYU, you are expected to show satisfactory academic achievement and progress toward the completion of a degree. To be in good standing you must maintain nothing less than a C average (2.0 GPA) each enrollment. Your academic standing is based on your BYU grades only. (This requirement differs for those admitted to BYU on warning or probation. Also, transfer students who drop below a 2.0 GPA their first enrollment will be placed on academic probation.) You are considered on lack of progress if 35 percent of your most recent 30 hours is not contributing to a degree (i.e., I's, W's, UW's, E's, T's, or the repeating of passing grades). Failure to maintain these minimum standards places a student in jeopardy of suspension. For detailed information concerning academic standards, refer to the current BYU General Catalog under Policies and Procedures and/or contact the Academic Standards Office, 350 SWKT, telephone (801) 378-2724.

Repeating Classes

You can repeat classes at BYU. This can be don in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other in stitutions. A memo of equivalency is neede from the BYU department chairman.
3. Repeat at other institutions classes taken at th same institution—and then have the credi transferred to BYU.
4. Repeat classes taken at BYU through Indepen dent Study or a Continuing Education center.

When you repeat a class, except for classes classi fied as R classes, the grade used to figure you grade point average is the grade earned the las time the repeated class was taken. You must notif the Records Office, B-150 ASB, that the class ha been repeated during the next semester afterward.

Changing College or Major

A student who desires to transfer from one majo to another, or from one college to another, mus clear this change through the college advisemen centers. Official change of major cards may be ob tained from the college advisement center of th college in which you are presently enrolled. Afte being properly signed, the card must be submitte to the college advisement center of your new col lege. Graduate students should review the polic regarding them that follows.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a con tractual basis with the instructor for students wh are eligible to complete the work in a prescribe time period. An incomplete is only given when ex tenuating circumstances (serious illness, death i immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. Th Incomplete Grade Contract form must be com pleted, signed by the instructor and departmen chairman, and the fee paid prior to the instructor' submission of the Official Grade Roll at the end o the semester or term. A copy of the Incomplet Grade Contract must accompany the grade roll. I the contract is not attached to the roll, the grad will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should in dicate a specific length of time in which the stu dent must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is no permitted to make up the incomplete. Once the work has been completed, the instructor should fil out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn (discontinued) from the university unless the student has completed the discontinuance process in the Discontinuance Office, 390 SWKT.

If you find it necessary to withdraw from all classes, you must do the following:

1. Complete discontinuance forms from the Discontinuance Office, 390 SWKT, Ext. 2767.
2. Obtain instructor and clearance signatures as necessary. NOTE: Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your pass or fail status.
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Discontinuance Office staff.
4. Have your student activity card voided. You retain the voided card and photo ID if future enrollment is anticipated.
5. Refer to page 52 for discontinuance refund information.

Those students enrolled through the Office of Evening Classes should discontinue in that office, 105 HCEB. A $5.00 fee is charged for the service after registration has been finalized. Law School students will initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and who subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be completed by contacting the Discontinuance Office, 390 SWKT, Ext. 2767, at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the current BYU General Catalog, from the department, and from the Graduate Office.

Each graduate student must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which he or she (a) is accepted in a graduate program and/or (b) plans to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each Fall and Winter Semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Graduate Office.

Part-time faculty members (not graduate assistants) may enroll in classes for the same number of credit hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term) and will not be required to pay the regular cost of tuition *for the first 5 credit hours or less.* There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Evening Classes Office, 120 HCEB (see instructions below).

Special Instructions (Please take note.)

1. **Applications for Approval of Daytime Class Work.** Applications for approval for employees to take daytime classes (7:00 a.m. to 5:00 p.m.) may be obtained at the Benefits Office, B-202 ASB, prior to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYEE BENEFITS.

2. **Admittance to the University Needed for Daytime Class Work. Faculty members, administrative personnel, staff members, spouses, and part-time faculty who are eligible to register for daytime classes must be properly admitted through the Admissions Office (see instructions following).

3. **Registration Schedule.** Please watch for university notices of times for advance registration. Contact the Registration Office, B-130 ASB, Ext. 2824, for information.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Part A of the admission application must be completed. Official high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work) should also be sent to the Admissions Office. A one-time $15.00 application fee will also need to be paid at that time. Upon acceptance to the university, all advance registration materials will be sent to the employee or spouse for class registration. Employees and their spouses will need to bring their Confirmation of Registration to the Benefits Office, where final processing will be accomplished. Employees are reminded that a Request for Daytime Class Attendance form must be completed and finalized before finalization of registration takes place. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate Office, B-336 ASB.

Times When Readmission Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting new Parts A and B to the Admissions Office. No transcripts are required the second time unless additional college work has been completed elsewhere since the last enrollment at BYU.

Auditing Classes

All faculty, administrative and staff employees, or spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

A BYU employee who discontinues his or her entire registration at the university is required to clear this termination through the Discontinuance Office, 390 SWKT. If all classes are evening classes, clear through Evening Classes, 105 HCEB.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registraton form for day school.

Those who register for evening classes only should register by mail prior to December 30, 1985. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning October 14, 1985. Late registration will begin January 6, 1986.

Faculty and staff members who register for evening classes only must register by December 30, 1985. Employee tuition cards are available in the Evening Classes Office.

Registration

Forms for registering may be obtained at the department offices (120 HCEB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. **All completed registrations must be turned in to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change of Registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (120 HCEB). A $10.00 fee is charged for the service after registration has been finalized.

University Assemblies

Forum Assemblies

Forum Assemblies are held every other week in the Marriott Center at 11:00 a.m. on Tuesday. Speakers are selected carefully from the arts, the sciences, the humanities, the media, and government. They are chosen for their professional competence and their speaking ability. Generally, they have produced scholarly work and made other important contributions to society.

The university regards the Forum Assemblies as an integral part of the general education experience and as an occasion to celebrate its sense of community. Participation will extend one's understanding of the intellectual and cultural achievements of mankind. Forum addresses often integrate the most significant ideas of contemporary civilization.

Schedule for Winter Semester

Jan. 7	TBA
Jan. 14	Aaron Wildavsky, Professor of Political Science at UC–Berkeley
Feb. 4	Robert Coles, Professor of Child Psychiatry at Harvard University
Feb. 18	TBA
Mar. 4	John I. Goodlad, Professor of Education at UCLA

Devotionals and Fifteen-Stake Firesides

Twice a month students have the unique opportunity to see and hear LDS General Authorities give spiritual advice and personal guidance. These Devotional assemblies are a religious enrichment activity at BYU and are part of the institution's goal to help develop the total person.

LDS leaders such as Gordon B. Hinckley, Dallin H. Oaks, Marion D. Hanks, and Thomas S. Monson visit the campus every other Tuesday at 11:00 a.m. in the Marriott Center to offer lectures that encourage faith, commitment, and positive attitudes among the BYU student body.

An additional spiritual opportunity is provided by monthly fifteen-stake firesides in the Marriott Center. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. and draw audiences of 12,000 to 15,000 people.

Final Examination Schedule for Day Classes

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review and study and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete,* depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second-block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held April 11, 12, 14, 15, 16, with reading days April 8, 9, 10; therefore, Monday, April 7, 1986, will be the last day of instruction.

Class Schedule Abbreviations

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT—the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalog for a listing of the colleges and departments at BYU.

CATG NO—the catalog number. Enter this number in the second column of the work sheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two R courses with the same number on a transcript are treated as two independent courses.

If an R course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB or QZ—lab or quiz section only.

SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number in the third column of the work sheet.

INDEX—index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the work sheet.

CR HR—credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. V means variable credit hours. **Register for the desired number of hours within the approved range indicated in the schedule** (see advisement center for further information). *Arr.* means credits to be arranged.

BLK—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT—class days.

ROOM—BLDG—where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT—classes restricted to particular students.

GE CATG—General Education Category—E = Freshman English, M = Precollege Mathematics, AL = Arts and Letters, NS = Natural Sciences, SS = Social Sciences, AW = Advanced Writing, L/M = Foreign Language or Mathematics Requirement.

APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of every other page.

TBA—to be announced (see department).

Telephone Registration Worksheet Spring Term

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone won't work. If you cannot find a Touch-tone phone, or if you prefer, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system doesn't answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

1. Declare Your Intent to Register

For Spring and Summer Terms the $50.00 pre-payment is waived and the student is not required to return an Intent to Register form. Students may begin calling on December 15, 1985.

The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students: Questions a Student Must Be Able to Answer

What is a credit hour?
A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?
The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?
A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Programs.

How do I request classes?
All new freshmen should complete the telephone registration work sheet and have alternate sections available. This will enable the student to submit additional requests by phone if the class is full.

Which classes should I select?
New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, if necessary, you can choose from the classes *listed below.*

The classes below are chosen from university and general education requirements. Most students will attend three classes (8 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

University Requirements

GENERAL EDUCATION*

(For a complete description of the General Education Program, see page 52. The letters in parentheses following each requirement below are codes used in the GE CATEGORY column of the class listings.)

It is important that the requirements for Freshman English, Precollege Mathematics, and American Heritage be filled during the freshman year to provide a basis for further study.

Academic Skills	Courses	Number of Courses Required	Comments
Freshman English (E)	Engl. 115 (or Engl. 115H, or Phil. 105)	1	Take this during your freshman year (F, W, Sp, or Su). Most students take Engl. 115.

Step 2: Plan Your Schedule

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Consult the listing of classes beginning on page 14. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

Step 3: Complete the Telephone Registration Work Sheet

The telephone registration work sheet is found inside the front cover of this schedule.

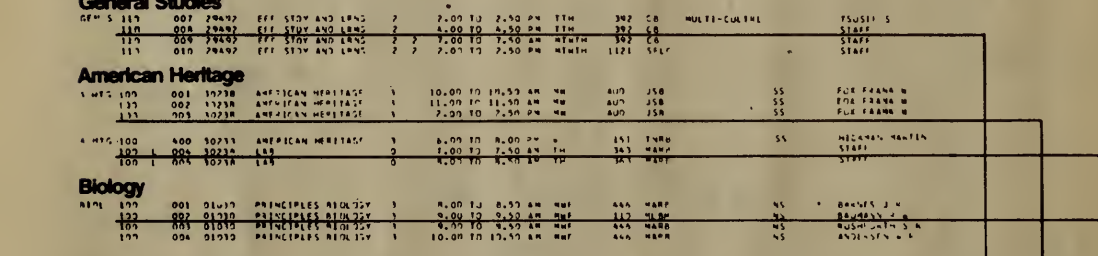

Sample Telephone Registration Work Sheet

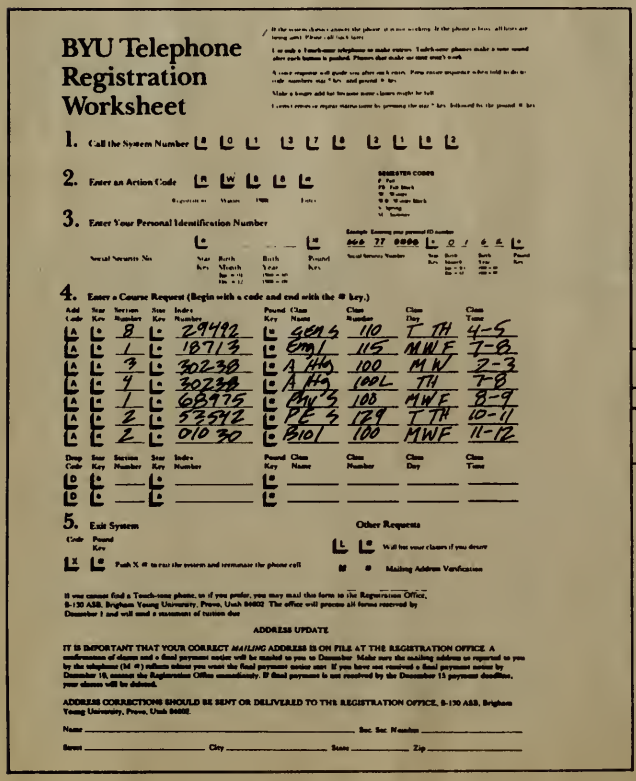

(New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, or if you prefer, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

ADDRESS UPDATE

IT IS IMPORTANT THAT YOUR CORRECT *MAILING* ADDRESS IS ON FILE AT THE REGISTRATION OFFICE. A confirmation of classes and a final payment notice will be mailed to you in December. Make sure the mailing address as reported to you by the telephone (M #) reflects where you want the final payment notice sent. If you have not received a final payment notice by December 10, contact the Registration Office immediately. If final payment is not received by the December 15 payment deadline, your classes will be deleted.

ADDRESS CORRECTIONS SHOULD BE SENT OR DELIVERED TO THE REGISTRATION OFFICE, B-130 ASB, Brigham Young University, Provo, Utah 84602.

Name _____ Soc. Sec. Number _____

Street _____ City _____ State _____ Zip _____

Step4: Declare Intent to Register

For Spring or Summer Terms it is not necessary to declare your intent to register . A $50.00 pre-payment is required for Fall and Winter Semesters only.

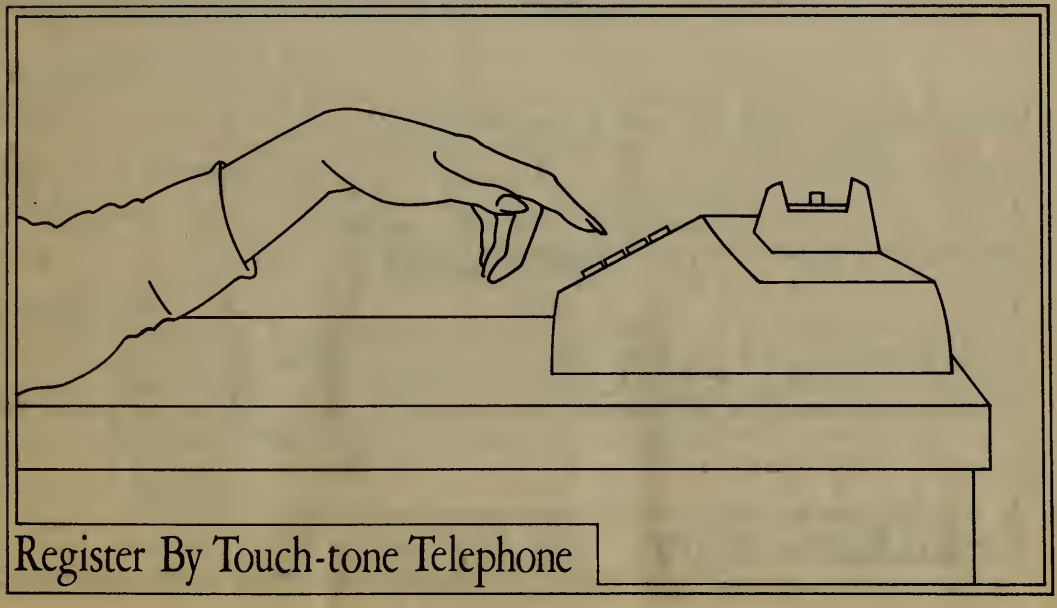

Continuing or newly admitted students may register by Touch-tone telephone beginning December 15, 1985.

Step5: Register by Touch-tone Telephone

Register December 15–April 16
Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed). Follow the telephone registration work sheet found on the inside front cover of this publication.

Final Tuition Deadline April 16
All students who register before March 31 will be sent a confirmation of classes and a notice to pay full tuition by April 16. Students who register between April 1 and April 16 will not be sent a notice of payment, but tuition must be paid in full by April 16. If the full tuition payment deadline is met, you may continue to add and drop classes by telephone through April 25.

Late Registration April 17–May 6
A $10.00 late fee will be charged after April 16 to all late registrants, whether they register by phone or at the Registration Office. You may late register by phone between April 17 and April 25 by paying full tuition plus the late fee. When your tuition and late fee are received, the telephone registration system will be made available to you. Beginning the first day of class, April 29, students should go to the Registration Office to late register.

Step 6: Pay Tuition

Final Payment Deadline April 16, 1986

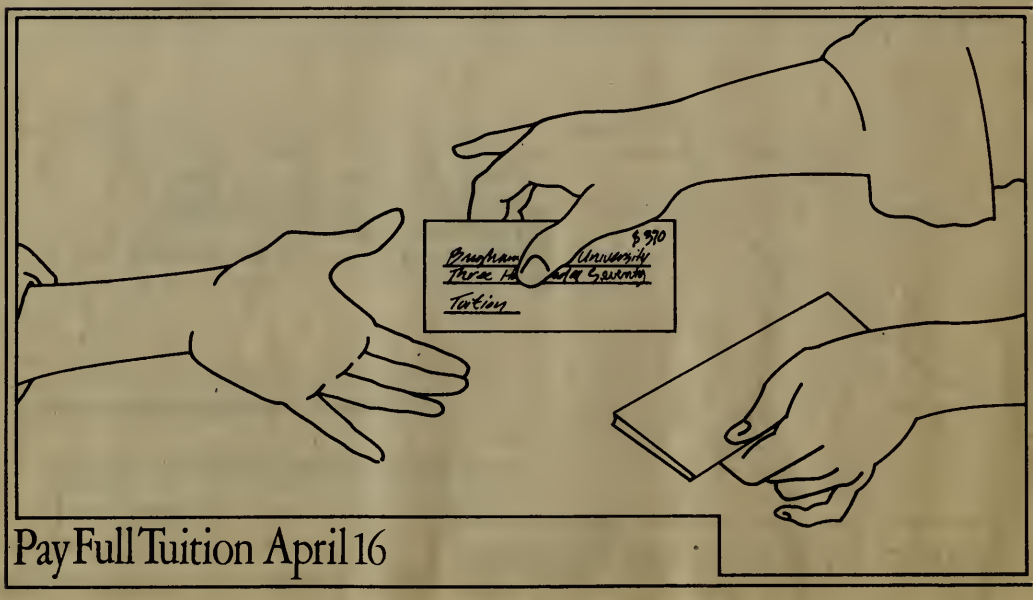

A final tuition assessment and a confirmation of classes will be mailed April 1, 1986. If you register after March 21 or have not received this notice by April 10, contact the Registration Office immediately. The confirmation form accompanied by final payment must be received in the BYU Cashier's Office by 5:00 p.m. April 16. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL LOSE ALL CLASSES FOR WHICH THEY ARE SCHEDULED AND WILL BE REQUIRED TO LATE REGISTER. In the event you do not receive a confirmation form by mail, payment still remains your responsibility and is due by the deadline.

Payment Procedure

The two top portions of the confirmation form and a check or money order to cover the amount of the assessed tuition should be mailed to the BYU Cashier, D-148 ASB, Provo, Utah 84602. Drop boxes are also provided for students on campus who wish to save postage. (Do not use campus mail.)

Address Correction Requested

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet inside front cover). Addresses may be corrected by contacting the Registration Office (378-2826), B-130 ASB, Provo, Utah 84602.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the change of registration (add/drop) card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping by Telephone

Students may add and drop classes after registering by using a Touch-tone telephone. Students who pay their tuition by April 16, 1986, may continue to adjust their schedules through April 25, 1986.

Adding and Dropping Classes (after class begins)

Students may add or drop classes 24 hours a day by Touch-tone telephone before the first day of class. After school has started, each academic department determines how classes are added. Departments' adding procedures are listed above their class listings in the Class Schedule.

The procedure for using add/drop cards follows:

1. Obtain a change of registration (add/drop) card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in the Class Schedule.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school pay a fee for each class dropped to the university cashier. (The amount of the fee increases each day). The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge for the first two weeks of school and to the Registration Office, B-130 ASB, beginning the third week of classes. Turn the card in before the appropriate deadline listed in the Class Schedule.

Deadlines

During Fall or Winter Semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During Spring or Summer Term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Spring Classes

Apr 29	T	Classes begin. You may add, drop, or late register for classes.
May 1	Th	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
May 6	T	Last day to add classes, late register, or change classes to audits. Classes dropped after this date will appear with W, official withdrawal, on the transcript.
May 15	Th	Last day you may drop classes for academic reasons.
June 4	W	Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last three days of the add period, May 2, 5, and 6. It is not possible to register for an audit class on the BYU Telephone Registration System. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or under 4 hours during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to April 24, 1986. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning February 24, 1986. Late registration will begin on April 29, 1986.

Faculty and staff members who register for evening classes only must register by April 24, 1986. Employee tuition cards are available in the Evening Classes Office.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is $48.00 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

Final Examination Schedule for Spring Term Day Classes

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review and study and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete,* depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

*Evening class examinations will be given during the last class periods. If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor. Examinations will be held June 19 and 20, with a reading day Wednesday, June 18; therefore, Tuesday, June 17, 1986, will be the last day of instruction.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration. See page 10.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The tuition and fees paid as a part-time undergraduate student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

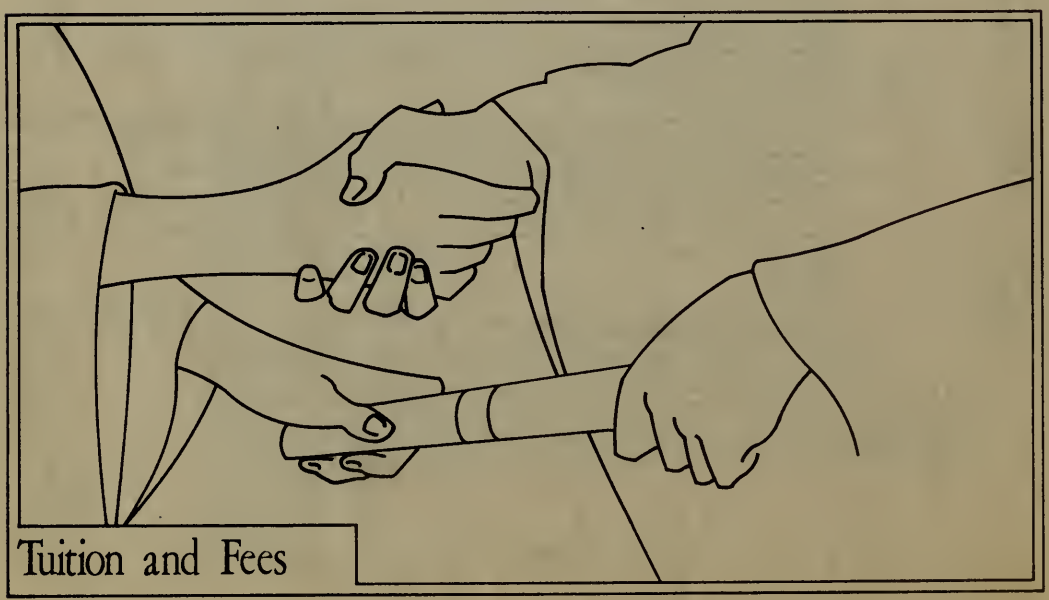

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.

B. All students who have received their first bachelor's degree.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours per semester and 4 credit hours per term.

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

$50 Tuition Prepayment (nonrefundable)

No prepayment is required for Spring or Summer Term. (See page 10 for registration and payment instructions.)

Assessment Adjustment

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours **on the day they are added.** If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. **The activity card must be surrendered at that time.** A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed for discontinuance.

Continuous Classes

The following classes have been approved to be conducted as continuous classes through Spring Term and Summer Term 1986:

Nursing 220, 230, 240, 250, 330, 340, 390R, 430, 440

Students enrolling for any of the above-listed classes will be assessed tuition on the basis of a full semester and will not be subject to the term tuition schedule. The Spring Term registration will combine the credit hours of continuous classes and Spring Term classes to arrive at the rate of tuition to be paid at that time.

Students taking continuous classes will receive activity cards as full-time students only if they enroll for more than 8 credit hours of continuous and Spring Term classes. A provision will be made for these students to receive an activity card for both terms. Students who pay full-time fees at Spring Term registration will be able to add Summer Term classes with no additional tuition assessment. Students who enroll at Spring Term for 8 credit hours or less will not receive an activity card. If these students subsequently add Summer Term classes, these credit hours will be added to the total of Spring Term and continuous classes to determine the total fees due. The amount previously paid at Spring Term registration will be deducted to determine the balance due. If the Summer Term credit hours' addition brings the total to full-time (over 8 credit hours), an activity card will be issued for Summer Term.

Late Registration Fee

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

April 10 (Spring Term) $10.00
June 6 (Summer Term) $10.00

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed in addition to a $7.00 dishonored check fee.

Tuition Refunds

If you discontinue school, a refund will be made based on the date you report your discontinuance to the Office of Student Special Services. The following rates apply:

Date of Discontinuance

Spring Term	Summer Term	Tuition Refund
Apr 29–May 9	June 23–July 4	90%
May 10–May 16	July 5–July 11	80%
May 17–May 23	July 12–July 18	60%
May 24–May 30	July 19–July 25	40%
May 31–June 6	July 26–Aug 1	20%
After June 6	After Aug 1	No refund

Any refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your discontinuance and have your activity card voided by the Office of Student Special Services (390 SWKT).

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

General Education Programs

Why Do We Have a General Education Program?

A university education should represent much more than narrow training for a particular job. Although the college major helps students acquire needed depth in a chosen field, it is important to realize that most college graduates do not work in their major area within a few years of leaving the university; even those who do work within their major area find that skills and knowledge outside their majors are increasingly important to them.

Most good universities have general education programs which are intended to help students develop the breadth, flexibility, and humane perspective needed to cope with rapid technological developments, changing personal interests, increased leisure time, and the responsibilities of citizenship in an increasingly complex world. BYU's General Education Program can help you achieve these goals by introducing you to humanity's most valuable knowledge and achievements in the arts, letters, and sciences; it also helps develop academic skills and other foundations for continued learning throughout life.

General Education Requirements for the Bachelor's Degree

For an overview of general education requirements see page 5. (For a list of approved courses see the following pages.)

When GE Courses Should Be Taken

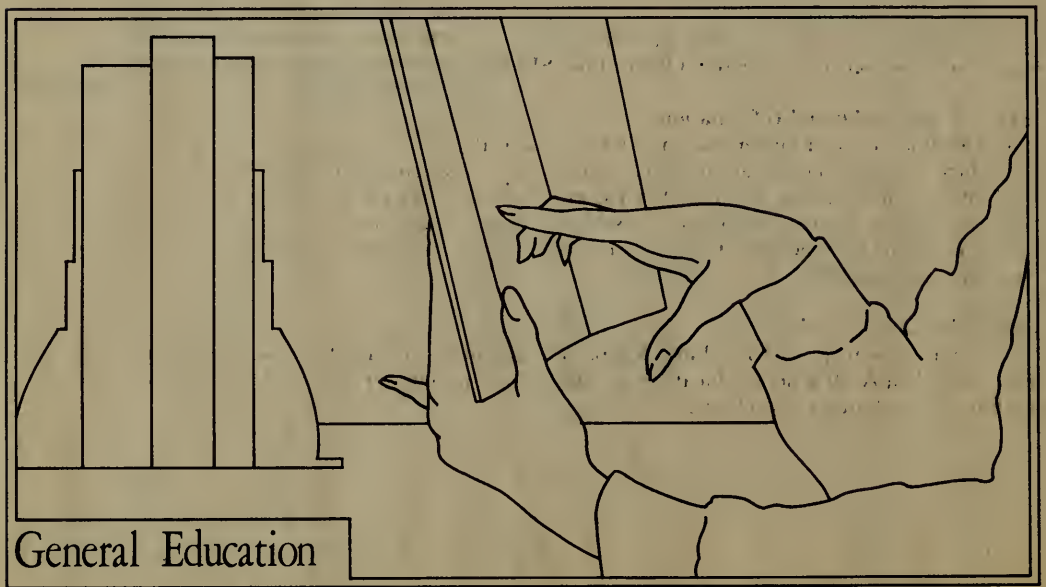

It is important that the courses for Freshman English, Precollege Mathematics, Biology, Physical Science, and American Heritage be completed early in a student's program because these courses treat skills and knowledge that may be prerequisite for some electives. Similarly, courses for the Foreign Language or Mathematics requirement should be completed early in the college career.

Advanced Writing should be completed during the junior year and should never be postponed until the last semester before graduation.

It is highly recommended that the college advisement center be contacted for detailed suggestions on how to coordinate the scheduling of GE and major requirements.

How to Satisfy the GE Requirements

GE requirements can be fulfilled in three main ways: (1) passing approved general education courses, (2) passing Honors general education courses, or (3) passing special examinations. Most students simply enroll in the regular GE courses listed on the next three pages, but well-prepared students may enroll in Honors classes (see pg. 58), or take special examinations for graded credit (or, in

three cases, for exemption). Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the dates listed on page 57. The testing dates are scheduled early in the semester to allow students to drop unneeded classes before the university drop deadline.

Exemption—No Credit or Grade

Exemption examinations for three GE requirements (Freshman English, Precollege Mathematics, and Physical Science) are given in the Testing Center, on a pass/fail basis for no academic credit, during the scheduled testing dates. Authorization is obtained by paying a $5.00 testing fee for Precollege Mathematics or a $10.00 testing fee for Freshman English ($5.00 for Reading and $5.00 for Writing) and Physical Science at the Testing Center. *This option is only available for these three GE requirements.*

The Reading-Writing Center, 1010 JKHB, can assist students in preparing for Freshman English exemption examinations.

Students who pass the exemption examinations for Freshman English (exemption pass level is an examination score of B- or higher) have the option of purchasing the academic credit and having the grade posted on their transcript (see the Special Examination for Graded Credit procedure below).

To receive an exemption from Physical Science, students must receive a grade of B- or better. Students who receive grades of C- or above and want GE credit may purchase the academic credit and have the grade posted on their transcript (see the Special Examination for Graded Credit procedure below).

Students who take the exemption examination for Math. 99 do not have the option of purchasing academic credit and having the grade posted to their transcript, because Math. 99 is a noncredit course.

Sample test questions can be found in the GE Guide, which is in college advisement centers, departmental offices, and college deans' offices.

NOTE: All *first-semester or first-term students* at BYU may take the examinations for Freshman English (Reading and Writing) and Precollege Mathematics *free of charge,* one time only, on the dates listed in the testing schedule. The normal testing fee will be charged for any retakes and any examinations taken after the first semester or first term.

Special Examination for Graded Credit

Special examinations for graded credit (challenges) must be arranged through the Testing Center or the department offering the course. Authorization is obtained by paying a $5.00 testing fee for Precollege Mathematics and $10.00 for all other examinations. (First-semester or first-term students can take these examinations free of charge as noted above under Exemption.) Students enrolled in the challenged course who have passed the special examination for graded credit and prefer to drop the course must do so officially before the university drop deadline. They must then purchase the academic credit for $5.00 per credit hour (in addition to the testing fee), and have the letter grade posted to their transcripts. There is a maximum credit-hour fee of $40.00 in any one department in any semester.

Additional information on testing procedures is available in college advisement centers, the Testing Center, and the General Education Office (1206 SFLC).

Where to Get Additional Information

The routine source of information and advice about the GE Program is the college advisement centers, which can give students an up-to-date report of their progress in the GE Program.

Additional information about BYU's General Education Program can be found in the General Education Guide (located in college advisement centers, deans' offices, and departmental offices) as well as in the BYU General Catalog. Further help is available through Tele-Tip (378-7420) and the General Education Office.

Class Schedule GE Codes

For your convenience, a GE column has been added to the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

University Honors Programs

Who May Register?

Any capable and motivated BYU student may register for Honors general education courses. However, we recommend that the student have a composite ACT of at least 27 or a cumulative university GPA of 3.5 and above. Formal membership in the University Honors Program is no longer required. Honors courses offer enrichment and additional rigor to all highly motivated and intellectually gifted students.

What Are the Advantages of the Honors Program?

Honors classes are generally smaller than other GE classes, and the teachers and students are among BYU's finest. Diligent and capable students perform better and learn more when they work closely with others who are stimulating. Honors classes include an emphasis on discussion and writing. Further, they count toward graduation with University Honors, BYU's most prestigious graduation recognition. Importantly, students completing an Honors class receive an early registration privilege for the next semester. (An Honors class is defined as any class for which *Hon P* or *Honors* precedes the course number or lists *Honors* as the first word in the title, e.g., *Hon P* 202 Language *or* Engl. 382H *Honors* Shakespeare. Only *Honors GE* courses count—not religion and not recommended sections of beginning language courses.) This means that as long as the student is conscientiously seeking the most rigorous undergraduate education, the university will process his or her class request form early. This allows better access to the classes and teachers one needs to fulfill high educational aspirations. If in a given semester the student does not complete an Honors class, the early registration privilege is lost for the following semester, but can be reinstated following any semester during which an Honors class is successfully completed. (Entering freshmen should contact University Honors Program personnel to learn how they may qualify for the early registration privilege.)

What about Grading in the Honors Program?

Students selecting Honors classes should be aware that these classes will be taught and graded on the level of the superior student. However, academically capable and hard-working students do very well in Honors classes. In fact, on the average they receive slightly higher grades in Honors classes than in their other classes in any given semester. Honors classes are not graded on a curve, but the main reason that students do well is that Honors classes typically are stimulating, demanding, and fulfilling. Students are motivated to perform well, and they do; hence their grades are higher.

What Are the Requirements for Graduation with University Honors?

1. Successfully complete six or more Honors GE classes in areas outside of one's major.
2. Maintain a 3.5 GPA both in Honors classes and in all other classes.
3. Learn any classical or modern foreign language to the GE requirement level.
4. Achieve a proficiency in mathematics to the GE requirement level.
5. Complete an acceptable Honors Thesis (a serious research project in one's major that is usually undertaken early in the senior year).
6. Read and write a two-page critique of at least twenty books selected from the Honors Recommended Reading List.
7. Complete an application for the University Honors designation by the established deadline.

NOTE:

Qualified students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the above requirements:

Obtain a free Honors Class Schedule containing a complete course listing and detailed descriptions from the University Honors Program Office, 350 MSRB, or call (801) 378-3523. This is an essential supplement to the university Class Schedule. Additional important information (including greater detail on all the above) is also available from the Honors Office.

University Assemblies

Forum Assemblies

Forum Assemblies are held every other week in the Marriott Center at 11:00 a.m. on Tuesday. Speakers are selected carefully from the arts, the sciences, the humanities, the media, and government. They are chosen for their professional competence and their speaking ability. Generally, they have produced scholarly work and made other important contributions to society.

The university regards the Forum Assemblies as an integral part of the general education experience and as an occasion to celebrate its sense of community. Participation will extend one's understanding of the intellectual and cultural achievements of mankind. Forum addresses often integrate the most significant ideas of contemporary civilization.

Devotionals and Fifteen-Stake Firesides

Twice a month students have the unique opportunity to see and hear LDS General Authorities give spiritual advice and personal guidance. These Devotional assemblies are a religious enrichment activity at BYU and are part of the institution's goal to help develop the total person.

LDS leaders such as Ezra Taft Benson, Gordon B. Hinckley, Dallin H. Oaks, Marion D. Hanks, and Thomas S. Monson visit the campus every other Tuesday at 11:00 a.m. in the Marriott Center to offer lectures that encourage faith, commitment, and positive attitudes among the BYU student body.

An additional spiritual opportunity is provided by monthly fifteen-stake firesides in the Marriott Center. These firesides, which also feature General Authorities as speakers are usually scheduled the first Sunday of each month at 7:30 p.m.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

It is your responsibility as a student to know the academic standards at BYU. Once admitted to BYU, you are expected to show satisfactory academic achievement and progress toward the completion of a degree. To be in good standing you must maintain nothing less than a C average (2.0 GPA) each enrollment. Your academic standing is based on your BYU grades only. (This requirement differs for those admitted to BYU on warning or probation. Also, transfer students who drop below a 2.0 GPA their first enrollment will be placed on academic probation.) You are in jeopardy of being considered on Lack of Progress if 35 percent of your course work is not contributing to a degree (i.e., I's, W's, UW's, E's, T's, or the repeating of passing grades). Failure to maintain these minimum standards places a student in jeopardy of suspension from the university. For detailed information concerning academic standards, refer to the current BYU General Catalog under Policies and Procedures and/or contact the Academic Standards Office, 350 SWKT, telephone (801) 378-2724.

Repeating Classes

You can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester afterward.

Changing College or Major

A student who desires to transfer from one major to another, or from one college to another, must clear this change through the college advisement centers. Official change of major cards may be obtained from the college advisement center of the college in which you are presently enrolled. After being properly signed, the card must be submitted to the college advisement center of your new college. Graduate students should review the policy regarding them that follows.

Transfer Students and Credit

Transfer credit will be evaluated by the Transfer Evaluation Office to determine its acceptability by the university. General education credit will be accepted when it is equivalent to approved BYU general education courses. "D" graded credit will be accepted by the university as elective credit only but will not be applied to the general education requirements.

A minimum of 40 semester hours of upper-division credit (junior and senior level) is required for a bachelor's degree. Transfer credit from junior colleges or other lower-division credit (freshman and sophomore level) from other colleges is not applicable to the upper-division graduation requirement.

A few lower-division courses from designated colleges have been accepted by major departments to substitute for upper-division BYU courses, but these will not be counted toward the upper-division requirement of 40 semester hours.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract form must be completed, signed by the instructor and department chairman, and the fee paid prior to the instructor's submission of the Official Grade Roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn (discontinued) from the university unless the student has completed the discontinuance process in the Discontinuance Office, 390 SWKT.

If you find it necessary to withdraw from all classes, you must do the following:

1. Complete discontinuance forms from the Discontinuance Office, 390 SWKT, Ext. 2767.
2. Obtain instructor and clearance signatures as necessary. NOTE: Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your pass or fail status.
3. Submit completed forms and sign out with a member of the Discontinuance Office staff.
4. Have your student activity card voided. You retain the voided card and photo ID if future enrollment is anticipated.
5. Refer to page 50 for discontinuance refund information.

Those students enrolled through the Office of Evening Classes should discontinue in that office, 105 HCEB. A $5.00 fee is charged for the service after registration has been finalized. Law School students will initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and who subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be completed by contacting the Discontinuance Office, 390 SWKT, Ext. 2767, at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the current BYU General Catalog, from the department, and from the Graduate Office.

Each graduate student must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which he or she (a) is accepted in a graduate program and/or (b) plans to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each Fall and Winter Semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Graduate Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to 6 hours per semester and will not be required to pay the regular cost of tuition.** Daytime classes require specific authorization. See Special Instructions.

2. **Registration for Spring and Summer Terms.** Continuing faculty members not teaching during the Spring or Summer Terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members teaching during Spring or Summer Terms may take a limit of (a) 3 credit hours per term, (b) 6 continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), or (c) 4 credit hours in one term and 2 credit hours in the other. If no classes are taken in Spring Term, 6 credit hours may not be taken in the Summer Term, or vice versa. No person may take more than 4 credit hours in one term.

3. New Faculty. New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. Spouse. The *spouse* of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

The same information applies as for full-time faculty except item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

NOTE: See *Personnel Policies and Procedures* No. 502 for tuition benefits for full-time staff.

1. **Registration for Fall and Winter Semester.** Full-time regular staff may register for courses of study up to 6 credit hours per semester and will not be required to pay the regular cost of tuition. Unless specifically authorized, courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8:00 a.m. to 5:00 p.m.) may not enroll in evening classes beginning approximately 4:00 p.m. or before. Staggered hours schedules may be used. See Personnel Policies and Procedures No. 215 for details.

2. **Registration for Spring and Summer Terms.** During Spring or Summer Terms, staff members may allocate their credit hours of class attendance as in items 2a,b,c for full-time faculty.**

3. **Spouse.** After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her *spouse* may register for courses without restriction as to time or number of credit hours day or evening and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the same number of credit hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term) and will not be required to pay the regular cost of tuition *for the first 5 credit hours or less.* There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Evening Classes Office, 105 HCEB.

Special Instructions (Please take note.)

1. **Applications for Approval of Daytime Class Work.** Applications for approval for employees to take daytime classes (7:00 a.m. to 5:00 p.m.) may be obtained at the Benefits Office, B-202 ASB, **prior** to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYEE BENEFITS.

2. **Admittance to the University Needed for Daytime Class Work. Faculty members, administrative personnel, staff members, spouses, and part-time faculty who are eligible to register for daytime classes must be properly admitted through the Admissions Office (see instructions following).

3. **Registration Schedule.** Please watch for university notices of times for advance registration. Contact the Registration Office, B-130 ASB, Ext. 2824, for information.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Part A of the admission application must be completed. Official high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should also be sent to the Admissions Office. A one-time $15.00 application fee will also need to be paid at that time. Upon acceptance to the university, all advance registration materials will be sent to the employee or spouse for class registration. Employees are reminded that a Request for Daytime Class Attendance form must be completed and finalized before registration takes place. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate Office, B-336 ASB.

Times When Readmission Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting new Parts A and B to the Admissions Office. No transcripts are required the second time unless additional college work has been completed elsewhere since the last enrollment at BYU.

Auditing Classes

All faculty and administrative personnel, or their spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes without specific authorization. Employees who wish to audit Evening Classes should do so through the Department of Evening Classes (See Full Time Regular Staff, item 1.). Any exceptions should be cleared through the Benefits Office.

University Discontinuance

A BYU employee who discontinues his or her entire registration at the university is required to clear this termination through the Discontinuance Office, 390 SWKT. If all classes are evening classes, clear through Evening Classes, 105 HCEB.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to December 30, 1985. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning October 14, 1985. Late registration will begin January 6, 1986.

Faculty and staff members who register for evening classes only must register by December 30, 1985. Employee tuition cards are available in the Evening Classes Office.

Registration

Forms for registering may be obtained at the department offices (120 HCEB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. **All completed registrations must be turned in to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change of Registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (120 HCEB). A $10.00 fee is charged for the service after registration has been finalized.

Class Schedule Abbreviations

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT—the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments, See the BYU General Catalog for a listing of the colleges and departments at BYU.

CATG NO—the catalog number. Enter this number in the second column of the work sheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1-99
Lower-division courses	100-299

CR HR—credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. **V means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule** (see advisement center for further information). *Arr.* means credits to be arranged.

BLK—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT—class days.

ROOM—BLDG—where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT—classes restricted to particular students.

GE CATG—General Education Category—E = Freshman English, M = Precollege Mathematics, AL = Arts and Letters, NS = Natural Sciences, SS = Social Sciences, AW = Advanced Writing, L/M = Foreign Language or Mathematics Requirement.

APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of every other page.

TBA—to be announced (see department).

Step 1: Organize Your Registration Materials

You will need the following items to register:

BYU General Catalog
Description of all courses and university and major requirements. Available at the BYU Bookstore or may be ordered by sending $3.00 to BYU Mail Service, 230 UPB.

Telephone Registration Work Sheet
Attached inside cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes
List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule. Go on to Step 2. (See page 7.)

New Students are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students: Questions a Student Must Be Able to Answer

What is a credit hour?
A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?
The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?
A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Programs.

How do I request classes?
All new freshmen should complete the telephone registration work sheet and have alternate sections available. This will enable the student to submit additional requests by phone if the class is full.

Which classes should I select?
New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, if necessary, you can choose from the classes *listed below.*

The classes below are chosen from university and general education requirements. Most students will attend three classes (8 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

University Requirements

Step 2: Plan Your Schedule

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Step 3: Complete the Telephone Registration Work Sheet

The telephone registration work sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet

(New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, or if you prefer, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

If you cannot find a Touch-tone phone, or if you prefer, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602. The office will process all forms received by December 1 and will send a statement of tuition due.

ADDRESS UPDATE

IT IS IMPORTANT THAT YOUR CORRECT *MAILING* ADDRESS IS ON FILE AT THE REGISTRATION OFFICE. A confirmation of classes and a final payment notice will be mailed to you in December. Make sure the mailing address as reported to you by the telephone (M #) reflects where you want the final payment notice sent. If you have not received a final payment notice by December 10, contact the Registration Office immediately. If final payment is not received by the December 15 payment deadline, your classes will be deleted.

ADDRESS CORRECTIONS SHOULD BE SENT OR DELIVERED TO THE REGISTRATION OFFICE, B-130 ASB, Brigham Young University, Provo, Utah 84602.

Name _____ Soc. Sec. Number _____

Street _____ City _____ State _____ Zip _____

Step4: Declare Intent to Register

For Spring or Summer Terms it is not necessary to declare your intent to register . A $50.00 pre-payment is required for Fall and Winter Semesters only.

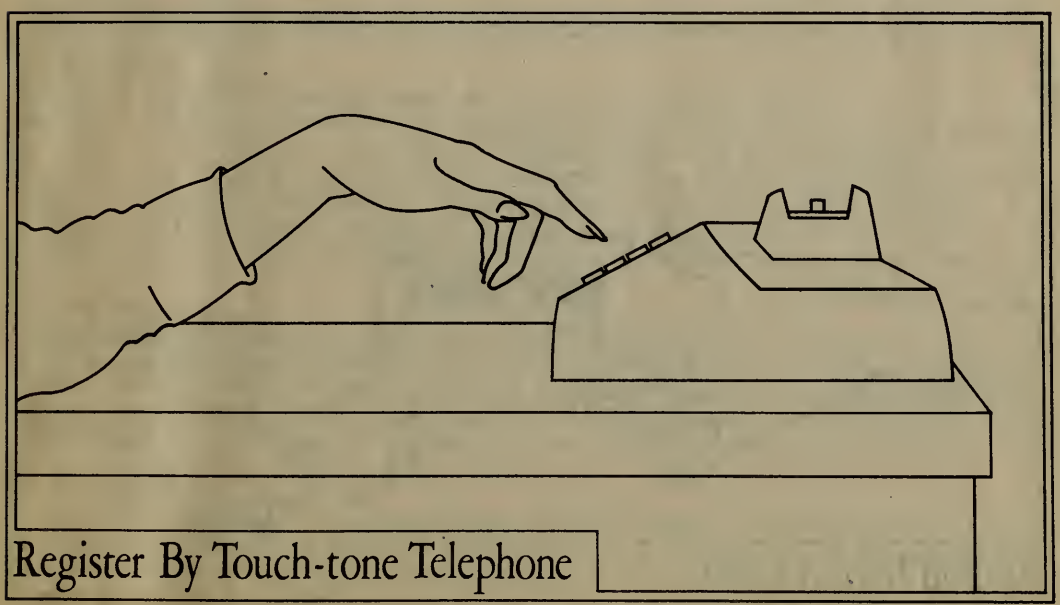

Continuing or newly admitted students may register by Touch-tone telephone beginning December 15, 1985.

Step5: Register by Touch-tone Telephone

Register December 15–June 6
Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed). Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register form with a $25.00 payment or verification of your being a recipient of a BYU award or scholarship.

Final Tuition Deadline June 6
All students who register before May 16 will be sent a confirmation of classes and a notice to pay full tuition by June 6. Students who register between May 17 and June 6 will not be sent a notice of payment, but tuition must be paid in full by June 6. If the full tuition payment deadline is met, you may continue to add and drop classes by telephone through June 20.

Late Registration June 7–June 30
A $10.00 late fee will be charged after June 6 to all late registrants, whether they register by phone or at the Registration Office. You may late register by phone between June 9 and June 20 by paying full tuition plus the late fee. When your tuition and late fee are received, the telephone registration system will be made available to you. Beginning the first day of class, June 23, students should go to the Registration Office to late register.

Step 6: Pay Tuition

Final Payment Deadline June 6, 1986

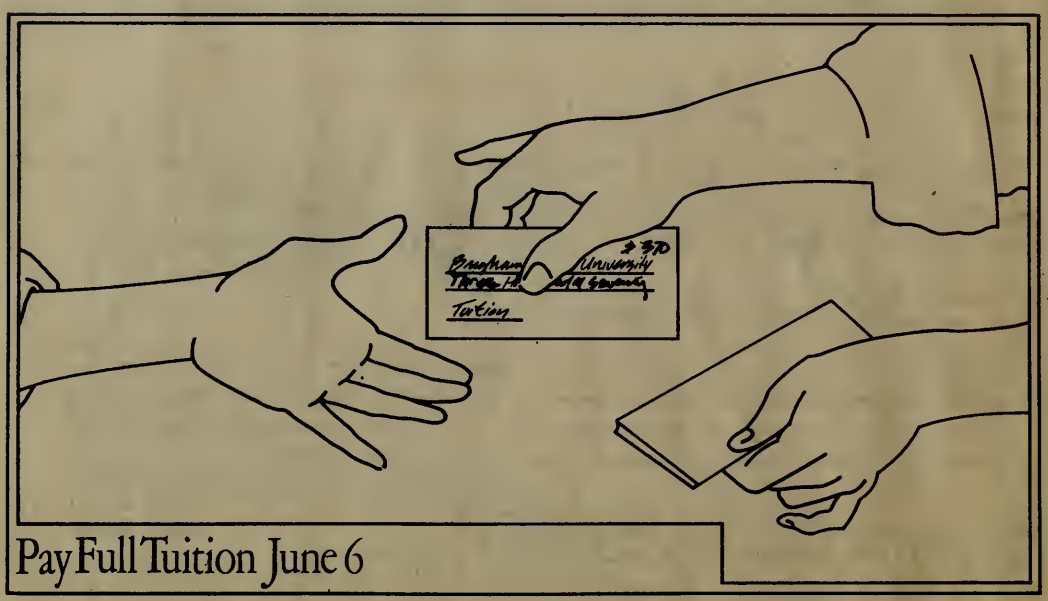

A final tuition assessment and a confirmation of classes will be mailed May 16, 1986. If you register after May 16 or have not received this notice by May 30, contact the Registration Office immediately. The confirmation form accompanied by final payment must be received in the BYU Cashier's Office by 5:00 p.m. June 6. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL LOSE ALL CLASSES FOR WHICH THEY ARE SCHEDULED AND WILL BE REQUIRED TO LATE REGISTER. In the event you do not receive a confirmation form by mail, payment still remains your responsibility and is due by the deadline.

Payment Procedure

The two top portions of the confirmation form and a check or money order to cover the amount of the assessed tuition should be mailed to the BYU Cashier, D-148 ASB, Provo, Utah 84602. Drop boxes are also provided for students on campus who wish to save postage. (Do not use campus mail.)

Address Correction Requested

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet inside front cover). Addresses may be corrected by contacting the Registration Office (378-2826), B-130 ASB, Provo, Utah 84602.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the change of registration (add/drop) card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping by Telephone

Students may add and drop classes after registering by using a Touch-tone telephone. Students who pay their tuition by June 6, 1986, may continue to adjust their schedules through June 20, 1986.

Adding and Dropping Classes (after class begins)

Students may add or drop classes 24 hours a day by Touch-tone telephone before the first day of class. After school has started, each academic department determines how classes are added. Departments' adding procedures are listed above their class listings in the Class Schedule.

The procedure for using add/drop cards follows:

1. Obtain a change of registration (add/drop) card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in the Class Schedule.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school pay a fee for each class dropped to the university cashier. (The amount of the fee increases each day). The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge for the first two weeks of school and to the Registration Office, B-130 ASB, beginning the third week of classes. Turn the card in before the appropriate deadline listed in the Class Schedule.

Deadlines

During Fall or Winter Semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During Spring or Summer Term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

Summer Classes

June 23	M	Classes begin. You may add, drop, or late register for classes.
June 25	W	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
June 30	M	Last day to add classes, late register, or change classes to audits. Classes dropped after this date will appear with W, official withdrawal, on the transcript.
July 10	Th	Last day you may drop classes for academic reasons.
July 29	T	Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last three days of the add period, June 26, 27, and 30. It is not possible to register for an audit class on the BYU Telephone Registration System. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or under 4 hours during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to June 19, 1986. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning May 5, 1986. Late registration will begin on June 23, 1986.

Faculty and staff members who register for evening classes only must register by June 19, 1986. Employee tuition cards are available in the Evening Classes Office.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is $48.00 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

Final Examination Schedule for Summer Term Day Classes

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review and study and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete,* depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

*Evening class examinations will be given during the last class periods. If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor. Examinations will be held August 13 and 14, with a reading day on Tuesday, August 12; therefore, Monday, August 11, 1986, will be the last day of instruction.

Telephone Registration Worksheet Summer Term

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone won't work. A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

If you do not meet one of these criteria, registration will be blocked.

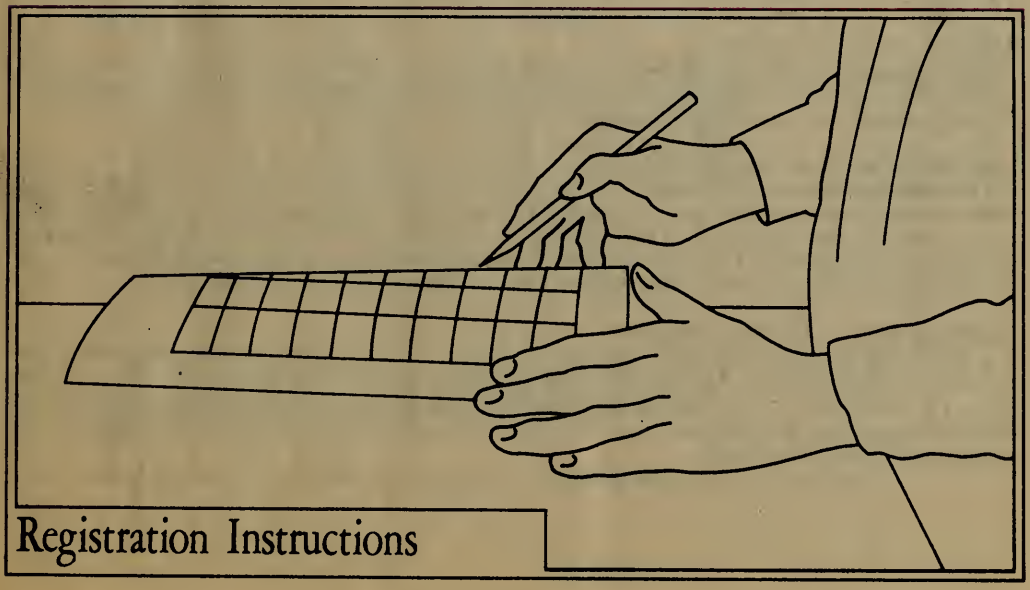

New Students: Find additional Registration Information on page 7.

Step 1
Declare Intent to Register.
(See page 4 for details.)

Step 2
Complete the Telephone Registration Work Sheet.
(See page 4 for details.)

Step 3

Open Registration
Late Registration
(See page 4 for details.)

Step 4
Pay Tuition.
(See page 6 for details.)

Step 1: Declare Intent to Register

A. Receive from the Registration Office an Intent to Register form. Currently enrolledStudents will be mailed an Intent to Register form in April. This form will be mailed to newly admitted students beginning in May and on a continuing basis as they are admitted. If you have not received this form by July 1, contact the Registration Office.

B. Complete the Intent to Register form by updating your current mailing address.

C. Declare your intent to register by returning the form with a $50.00 tuition prepayment to the BYU Cashier's Office, D-148 ASB, Provo, Utah 84602. Upon receipt of the nonrefundable tuition prepayment, the Touch-tone telephone registration system will be opened for your use.

NOTE: BYU scholarship recipients **must** return the Intent to Register form. No $50.00 prepayment is required.

Step 2: Complete the Telephone Registration Work Sheet

The telephone registration work sheet is found inside the front cover of this schedule.

Sample Telephone Registration Work Sheet
(New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the work sheet.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). As you request classes, the computer voice will tell you if you receive a class and will inform you if other sections are available.

If you do not have access to a Touch-tone telephone, or if you prefer, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

Step 3: Register by Touch-tone Telephone

Register April 1–August 15

Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed). Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register form with a $50.00 payment.

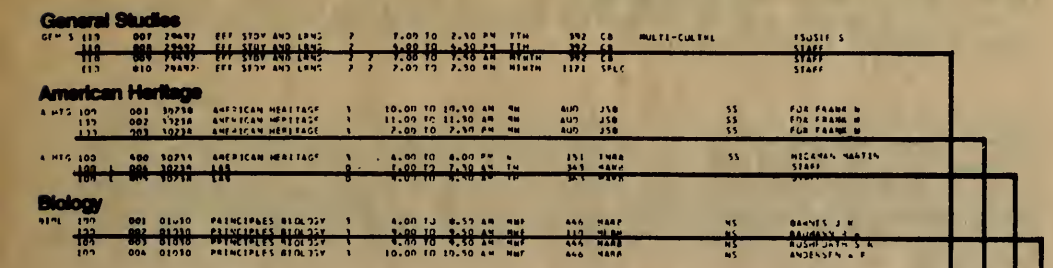

Final Tuition Deadline August 15

A confirmation of classes will be sent to all registrants. If you register after August 1, a tuition assessment and confirmation form may not arrive before the payment deadline. In the event that a confirmation form is not received by mail, FULL TUITION REMAINS THE STUDENT'S RESPONSIBILITY AND IS DUE BY THE PAYMENT DEADLINE. If the Confirmation Form and final Tuition Payment is not returned by this date, your classes will be deleted and you will be required to Late Register.

Late Registration August 15–August 29

A $20.00 late fee will be charged to all late registrants, whether they register by phone or at the Registration Office. You may late register by phone between August 15 and August 29, by paying full tuition plus the late fee. When your tuition and late fee are received, the telephone registration system will be made available to you. Beginning the first day of class, September 3, students should go to the Registration Office to late register.

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone won't work.

If you cannot find a Touch-tone phone, or if you prefer, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

Step4: Pay Tuition

$50.00 Prepayment Required before Registration

A minimum of $50.00 is required as a tuition prepayment. The prepayment is applied toward total tuition, and the $50.00 is nonrefundable.

Address Correction Requested

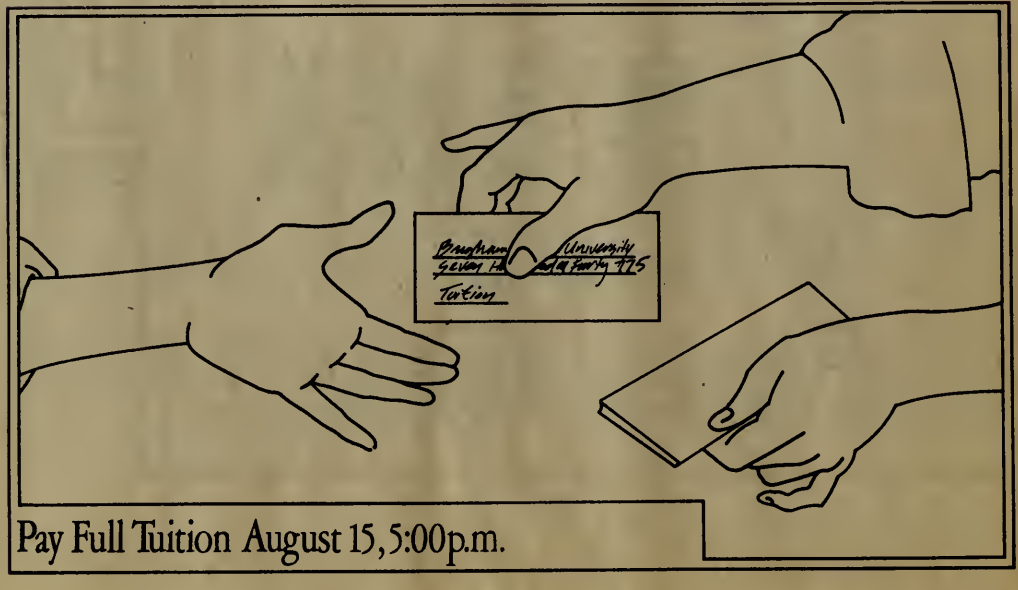

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address along with your $50.00 prepayment. If you are uncertain about your mailing address on file, the telephone registration system will report your mailing address (see work sheet inside front cover). Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602.

Final Payment Deadline August 15, 1986

A final tuition assessment and a confirmation of classes will be mailed by August 1, 1986. If you register after August 1 or have not received this notice by August 10, contact the Registration Office immediately. Final payment must be received in the BYU Cashier's Office by 5:00 p.m. August 15. STUDENTS WHO FAIL TO MEET THE TUITION DEADLINE WILL LOSE ALL CLASSES FOR WHICH THEY ARE SCHEDULED AND WILL BE REQUIRED TO LATE REGISTER. IN THE EVENT YOU DO NOT RECEIVE A CONFIRMATION FORM BY MAIL, PAYMENT STILL REMAINS YOUR RESPONSIBILITY AND IS DUE BY THE DEADLINE.

Payment Procedure

The two top portions of the confirmation form and a check or money order to cover the amount of the assessed tuition should be mailed to the BYU Cashier, D-148 ASB, Provo, Utah 84602. Drop boxes are also provided for students on campus who wish to save postage. (Do not use campus mail.)

Help for New Students:

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalog
Description of all courses and university and major requirements. Available at the BYU Bookstore or may be ordered by sending $3.00 to BYU Mail Service, 230 UPB.

Telephone Registration Work Sheet
Attached inside cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes
List of classes needed to meet university and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule.

New Students are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you undersand some new college vocabulary. It will also show you some classes to select.

Questions New Students Must Be Able to Answer

What is a credit hour?
A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfuly complete from 12 to 16 credit hours (five or six classes per semester or 6 to 8 credit hours (three or four classes) per term. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?
The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students pass the requirement by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?
A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Open-Major Advisement.

How do I request classes?
Students request classes using a Touch-tone telephone. All new freshmen should complete the telephone registration work sheet (see inside cover) and have alternate sections available. This will enable the student to submit additional requests by phone if the class is full.

Which classes should I select?
New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 1 of this book, or, if necessary, you can choose from the classes *listed below.*

The classes below are chosen from university and general education requirements. Most students will attend six classes (15 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the change of registration (add/drop) card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping by Telephone

Students may add and drop classes after registering by using a Touch-tone telephone. Students who declare their intent to register and pay their tuition by August 15, 1986, may continue to adjust their schedules through September 2, 1986.

Adding and Dropping Classes (after class begins)

Students may add or drop classes by Touch-tone telephone before the first day of class. After school has started, each academic department determines how classes are added. Departments' adding procedures are listed above their class listings in the Class Schedule.

The procedure for using add/drop cards follows:

1. Obtain a change of registration (add/drop) card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in the Class Schedule.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school pay a fee for each class dropped to the university cashier. (The amount of the fee increases each day). The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge for the first two weeks of school and to the Registration Office, B-130 ASB, beginning the third week of classes. Turn the card in before the appropriate deadline listed in the Class Schedule.

Deadlines

During Fall or Winter Semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During Spring or Summer Term classes may be added during the first six class days and dropped during the first thirteen class days.

Please note the following deadlines for changes in schedule:

November 5	W	Last day you may drop second-block classes for academic reasons.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, September 10, 11, 12, 15, 16. It is not possible to register for an audit class on the advance class request form. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or under 4 hours during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to December 30, 1985. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning October 14, 1985. Late registration will begin on January 6, 1986.

Faculty and staff members who register for evening classes only must register by September 2, 1985.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is $50.00 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

A student's registration is incomplete until tuition and fees are paid. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 6 for tuition payment deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The tuition and fees paid as a part-time undergraduate student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Non-credit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved–for example, dissertations and theses–tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.

B. All students who have received their first bachelor's degree.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours per semester and 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to the Treasurer's Office.

Tuition and General Fees Per Semester

	LDS	Non-LDS
Undergraduate Students		
Full-time (Over 8 credit hours)	$ 775	$1,160
Part-time	$ 80 per hour	$ 120 per hour
Advanced-Standing Students		
Full-time (Over 8 credit hours)	$ 900	$1,350

Law School Students		
Full-time (Over 8 credit hours)	$ 1,460	$2,190
Part-time	$ 160 per hour	$ 240 per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

$50 Tuition Prepayment (nonrefundable)

A prepayment is required of all students who access the telephone registration system prior to August 15. (See page 6 for registration and payment instructions.)

Assessment Adjustment

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours **on the day they are added.** If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. **The activity card must be surrendered at that time.** A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule.

Late Registration Fee

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After August 15 (Fall Semester) $20.00

University Calendar

The annual calendar at BYU includes two semesters and two terms of half-semester length. Fall Semester begins the second day after Labor Day and ends before the Christmas holidays. Winter Semester is from early January to late April. Spring and Summer Terms are eight weeks each and begin near May 1 and July 1, respectively.

Registering for Spring and Summer Terms allows students to accelerate their progress in many degree programs.

Registration procedures may change because of the development of new systems. Information on new procedures, fees, and deadlines will be published each semester in the Class Schedule.

General Education Programs

Why Do We Have a General Education Program?

A university education should represent much more than narrow training for a particular job. Although the college major helps students acquire needed depth in a chosen field, it is important to realize that most college graduates do not work in their major area within a few years of leaving the university; even those who do work within their major area find that skills and knowledge outside their majors are increasingly important to them.

Most good universities have general education programs which are intended to help students develop the breadth, flexibility, and humane perspective needed to cope with rapid technological developments, changing personal interests, increased leisure time, and the responsibilities of citizenship in an increasingly complex world. BYU's General Education Program can help you achieve these goals by introducing you to humanity's most valuable knowledge and achievements in the arts, letters, and sciences; it also helps develop academic skills and other foundations for continued learning throughout life.

General Education Requirements for the Bachelor's Degree

For an overview of general education requirements see page 8. (For a list of approved courses see the following pages.)

When GE Courses Should Be Taken

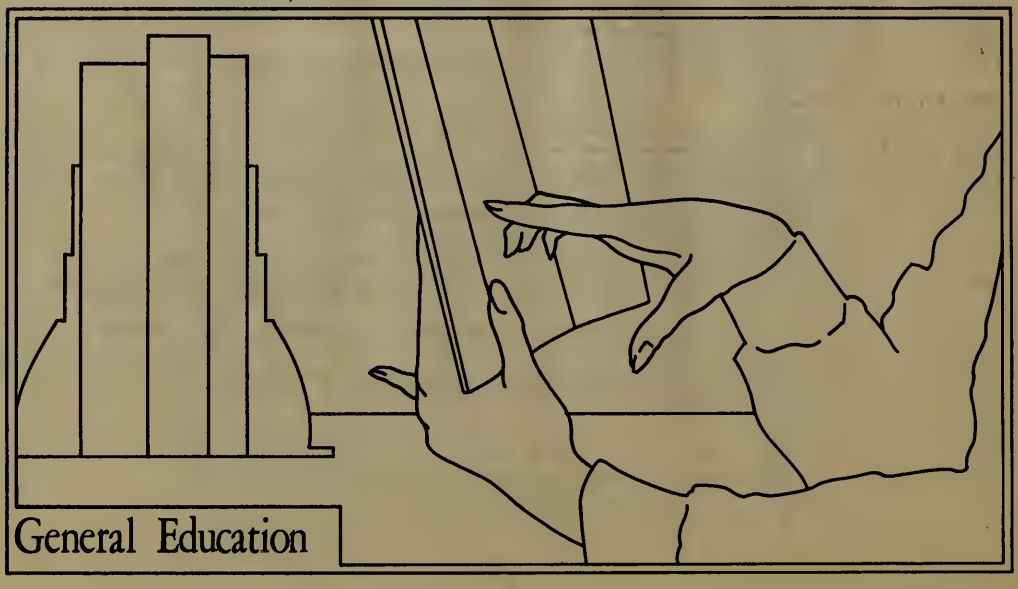

It is important that the courses for Freshman English, Precollege Mathematics, Biology, Physical Science, and American Heritage be completed early in a student's program because these courses treat skills and knowledge that may be prerequisite for some electives. Similarly, courses for the Foreign Language or Mathematics requirement should be completed early in the college career.

Advanced Writing should be completed during the junior year and should never be postponed until the last semester before graduation.

It is highly recommended that the college advisement center be contacted for detailed suggestions on how to coordinate the scheduling of GE and major requirements.

How to Satisfy the GE Requirements

GE requirements can be fulfilled in three main ways: (1) passing approved general education courses, (2) passing Honors general education courses, or (3) passing special examinations. Most students simply enroll in the regular GE courses listed on the next three pages, but well-prepared students may enroll in Honors classes (see pg. 68), or take special examinations for graded credit (or, in three cases, for exemption). Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the dates listed on page 23. The testing dates are scheduled early in the semester to allow students to drop unneeded classes before the university drop deadline.

Exemption—No Credit or Grade

Exemption examinations for three GE requirements (Freshman English, Precollege Mathematics, and Physical Science) are given in the Testing Center, on a pass/fail basis for no academic credit, during the scheduled testing dates. Authorization is obtained by paying a $5.00 testing fee for Precollege Mathematics or a $10.00 testing fee for Freshman English ($5.00 for reading and $5.00 for writing) and Physical Science at the Testing Center. If students pass these examinations their transcripts will automatically reflect that the GE requirement has been completed, but no academic credit will be posted unless students choose to purchase it. *These three GE requirements are the only ones that may be taken on a pass/fail basis for no academic credit if the student so chooses.*

The Reading-Writing Center, 1010 JKHB, can assist students in preparing for freshman English exemption examinations.

Students who pass the exemption examinations for Freshman English (exemption pass level is an examination score of B− or higher) have the option of purchasing the academic credit and having the grade posted on their transcript (see the Special Examination for Graded Credit procedure below).

To receive an exemption from Physical Science, students must achieve scores equivalent to a grade of B− or better. Students who achieve scores equivalent to a grade of C− or above may purchase the academic credit and have the grade posted on their transcripts to fill the GE requirement (see the Special Examination for Graded Credit procedure below).

Students who take the exemption examination for Math. 99 do not have the option of purchasing academic credit and having the grade posted to their transcript, because Math. 99 is a noncredit course.

Sample test questions can be found in the GE Guide, which is in college advisement centers, departmental offices, and college deans' offices.

Note: All *first-semester or first-term students* at BYU may take the examinations for Freshman English (reading and writing) and Precollege Mathematics *free of charge*, one time only, on the dates listed in the testing schedule. The normal testing fee will be charged for any retakes and any examinations taken after the first semester or first term.

Special Examination for Graded Credit

Special examinations for graded credit (challenges) must be arranged through the Testing Center or the department offering the course. Authorization is obtained by paying a $5.00 testing fee for Precollege Mathematics and $10.00 for all other examinations. (First-semester or first-term students can take these examinations free of charge as noted above under Exemption.) Students enrolled in the challenged course who have passed the special examination for graded credit and prefer to drop the course must do so officially before the university drop deadline. They must then purchase the academic credit for $5.00 per credit hour (in addition to the testing fee), and have the letter grade posted to their transcripts. There is a maximum credit-hour fee of $40.00 in any one department in any semester.

Additional information on testing procedures is available in college advisement centers, the Testing Center, and the General Education Office (1206 SFLC).

Where to Get Additional Information

The routine source of information and advice about the GE Program is the college advisement centers, which can give students up-to-date reports of their progress in the GE Program.

Additional information about BYU's General Education Program can be found in the General Education Guide (located in college advisement centers, deans' offices, and departmental offices) as well as in the BYU General Catalog. Further help is available through Tele-Tip (378-7420) and the General Education Office.

Class Schedule GE Codes

For your convenience, a GE column has been added to the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

General Education Courses

The official list of all courses that satisfy current general education requirements follows:

Courses for Academic Skills (Category 1)

Freshman English (One course. This should be taken during your freshman year.)	Engl. 115, 115H, or Hon P. 115, Phil. 105

If you are uncertain about which course to register for, contact your college advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics Subscore	*Precollege Mathematics*
21 or above	Requirement waived
19–20	Challenge Math. 99 or enroll in Math. 100
13–18	Register for Math. 99, if you have taken high school algebra. Otherwise, see next recommendation. (NOTE: Math. 99 is a noncredit course requiring an additional fee.)
12 or below	Register for Math. 98 (NOTE: Math. 98, a noncredit course requiring an additional fee, does not satisfy the GE requirement, but prepares you for a course which does—Math 100. Math. 99 also satisfies the GE requirement.)

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed below, or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A-153 ASB):

University Honors Programs

Who May Register?

Any capable and motivated BYU student may register for Honors general education courses. However, we recommend that the student have a composite ACT of at least 27 or a cumulative university GPA of 3.5 and above. Formal membership in the University Honors Program is no longer required. Honors courses offer enrichment and additional rigor to all highly motivated and intellectually gifted students.

What Are the Advantages of the Honors Program?

Honors classes are generally smaller than other GE classes, and the teachers and students are among BYU's finest. Diligent and capable students perform better and learn more when they work closely with others who are stimulating. Honors classes include an emphasis on discussion and writing. Further, they count toward graduation with University Honors, BYU's most prestigious graduation recognition. Importantly, students completing an Honors class receive an early registration privilege for the next semester. (An Honors class is defined as any class for which *Hon P* or *Honors* precedes the course number or lists *Honors* as the first word in the title, e.g., *Hon P* 202 Language *or* Engl. 382H *Honors* Shakespeare. Only *Honors GE* courses count–not religion and not recommended sections of beginning language courses.) This means that as long as the student is conscientiously seeking the most rigorous undergraduate education, the university will process his or her class request form early. This allows better access to the classes and teachers one needs to fulfill high educational aspirations. If in a given semester the student does not complete an Honors class, the early registration privilege is lost for the following semester, but can be reinstated following any semester during which an Honors class is successfully completed. (Entering freshmen should contact University Honors Program personnel to learn how they may qualify for the early registration privilege.)

What about Grading in the Honors Program?

Students selecting Honors classes should be aware that these classes will be taught and graded on the level of the superior student. However, academically capable and hard-working students do very well in Honors classes. In fact, on the average they receive slightly higher grades in Honors classes than in their other classes in any given semester. Honors classes are not graded on a curve, but the main reason that students do well is that Honors classes typically are stimulating, demanding, and fulfilling. Students are motivated to perform well, and they do; hence their grades are higher.

What Are the Requirements for Graduation with University Honors?

1. Successfully complete six or more Honors GE classes in areas outside of one's major.
2. Maintain a 3.5 GPA both in Honors classes and in all other classes.
3. Learn any classical or modern foreign language to the GE requirement level.
4. Achieve a proficiency in mathematics to the GE requirement level.
5. Complete an acceptable Honors Thesis (a serious research project in one's major that is usually undertaken early in the senior year).
6. Read and write a two-page critique of at least twenty books selected from the Honors Recommended Reading List.
7. Complete an application for the University Honors designation by the established deadline.

NOTE:

Qualified students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the above requirements:

Obtain a free Honors Class Schedule containing a complete course listing and detailed description from the University Honors Program Office, 350 MSRB, or call (801) 378-3523. This is an essential supplement to the university Class Schedule. Additional important information (including greater detail on all the above) is also available from the Honors Office.

University Assemblies

Forum Assemblies

Forum Assemblies are held every other week in the Marriott Center at 11:00 a.m. on Tuesday. Speakers are selected carefully from the arts, the sciences, the humanities, the media, and government. Participation will extend one's understanding of the intellectual and cultural achievements of mankind. Forum addresses often integrate the most significant ideas of contemporary civilization.

Devotionals and Fifteen-Stake Firesides

Every other Tuesday at 11:00 a.m. in the Marriott Center students have the unique opportunity to see and hear LDS General Authorities offer lectures that encourage faith, commitment, and positive attitudes.

An additional spiritual opportunity is provided by monthly fifteen-stake firesides in the Marriott Center. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. and draw audiences of 12,000 to 15,000 people.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

It is your responsibility as a student to know the academic standards at BYU. Once admitted to BYU, you are expected to show satisfactory academic achievement and progress toward the completion of a degree.

1. To be in good academic standing you must maintain at least a "C" average (2.0 GPA) each enrollment. This requirement differs for those admitted to BYU on warning or probation. Transfer students who drop below a 2.0 GPA their first enrollment or continuing students whose total BYU GPA drops below 2.0 will be placed on academic probation. Your academic standing is based on your BYU grades only.
2. Lack of progress towards the completion of a degree is determined by the percentage of non-progress grades (W, T, NS), failing grades (E, UW, WE, I) and repeat classes which already have credit (D– or above). This percentage is calculated by examining the most current semesters/terms until at least 30 credit hours can be evaluated using whole semesters/terms (for students with fewer than 30 BYU credit hours, but more than 10 BYU credit hours, all hours will be used to calculate the percentage). When this percentage reaches 35 percent or more, students are placed on lack of progress (LOP) warning. Repeating E's, WE's, IE's or UW's successfully will not increase the lack of progress percentage. If a class is dropped after the Add deadline a "W" will appear on the transcript and will count as a lack of progress grade.

Failure to maintain these minimum standards places a student in jeopardy of suspension. Students on probation are not eligible for financial aid. For detailed information concerning academic standards, refer to the BYU General Catalog under Policies and Procedures and/or contact the Academic Standards Office, 350 SWKT, telephone (801) 378-2724.

Repeating Classes

You can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution–and then have the credit transferred to BYU.
4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester afterward.

Changing College or Major

A student who desires to transfer from one major to another, or from one college to another, must clear this change through the college advisement centers. Official change of major cards may be obtained from the college advisement center of the college **in which you are presently enrolled.** After being properly signed, the card must be submitted to the college advisement center of your new college. Graduate students should review the policy regarding them that follows.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract form must be completed, signed by the instructor and department chairman, and the fee paid prior to the instructor's submission of the Official Grade Roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a

subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn (discontinued) from the university unless the student has completed the discontinuance process in the Discontinuance Office, 390 SWKT.

If you find it necessary to withdraw from classes, you must do the following:

1. Complete discontinuance forms from the Discontinuance Office, 390 SWKT, Ext. 2767.
2. Obtain instructor and clearance signatures as necessary. NOTE: Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your pass or fail status.
3. Submit completed forms and sign out with a member of the Discontinuance Office staff.
4. Have your student activity card voided. You retain the voided card and photo ID if future enrollment is anticipated.
5. Refer to page 14 for discontinuance refund information.

Those students enrolled through the Office of Evening Classes should discontinue in that office, 105 HCEB. A $5.00 fee is charged for the service after registration has been finalized. Law School students will initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and who subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be completed by contacting the Discontinuance Office, 390 SWKT, Ext. 2767, at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the current BYU General Catalog, from the department, and from the Graduate Office.

Each graduate student must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which he or she (a) is accepted in a graduate program and/or (b) plans to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each Fall and Winter Semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Graduate Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to 6 hours per semester and will not be required to pay the regular cost of tuition.**

2. **Registration for Spring and Summer Terms.** Continuing faculty members not teaching during the Spring or Summer Terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members **teaching** during Spring or Summer Terms may take a limit of (a) 3 credit hours per term, (b) 6 continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), or (c) 4 credit hours in one term and 2 credit hours in the other. If no classes are taken in Spring Term, 6 credit hours **may not** be taken in the Summer Term, or vice versa. **No person may take more than 4 credit hours in one term.**

3. **New Faculty.** New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. **Spouse.** The *spouse* of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

The same information applies as for full-time faculty except Item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

NOTE: See *Personnel Policies and Procedures* No. 502 for tuition benefits for full-time staff with less than five years' or greater than five years' continuous service.

1. **Registration for Fall and Winter Semester.** Full-time regular staff may register for courses of study up to 6 credit hours per semester and will not be required to pay the regular cost of tuition. Unless specifically authorized, courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8:00 a.m. to 5:00 p.m.) may not enroll in evening classes beginning approximately 4:00 p.m. or before. Staggered hours schedules may be used. See Personnel Policies and Procedures No. 215 for details.

2. **Registration for Spring and Summer Terms.** During Spring or Summer Terms, staff members may allocate their credit hours of class attendance as in Item 2a,b,c for full-time faculty.**

3. **Spouse.** After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her *spouse* may register for courses without restriction as to time or number of credit hours day or evening and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the same number of credit hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term) and will not be required to pay the regular cost of tuition *for the first 5 credit hours or less.* There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Evening Classes Office, 120 HCEB (see instructions below).

Special Instructions (Please take note.)

1. **Applications for Approval of Daytime Class Work.** Applications for approval for employees to take daytime classes (7:00 a.m. to 5:00 p.m.) may be obtained at the Benefits Office, B-202 ASB, **prior** to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYMENT BENEFITS.

2. **Admittance to the University Needed for Daytime Class Work. Faculty members, administrative personnel, staff members, spouses, and part-time faculty who are eligible to register for daytime classes must be properly admitted through the Admissions Office (see instructions following).

3. **Registration Schedule.** Please watch for university notices of times for advance registration. Contact the Registration Office, B-130 ASB, Ext. 2824, for information.

Day Classes for Credit

Employees or spouses **who are eligible** to take classes for credit at Brigham Young University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Part A of the admission application must be completed. Official high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should also be sent to the Admissions Office. A one-time $15.00 application fee will also need to be paid at that time. Upon acceptance to the university, all advance registration materials will be sent to the employee or spouse for class registration. Employees and their spouses will need to bring their Confirmation of Registration to the Benefits Office, where final processing will be accomplished. Employees are reminded that a Request for Daytime Class Attendance form must be completed and finalized before finalization of registration takes place. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate Office, B-336 ASB.

Times When Readmission Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting new Parts A and B to the Admissions Office. No transcripts are required the second time unless additional college work has been completed elsewhere since the last enrollment at BYU.

Auditing Classes

All faculty, administrative and staff employees, or spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

A BYU employee who discontinues his or her entire registration at the university is required to clear this termination through the Discontinuance Office, 390 SWKT. If **all** classes are evening classes, clear through Evening Classes, 105 HCEB.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to August 27, 1986. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning July 1, 1986. Late registration will begin September 3, 1986.

Faculty and staff members who register for evening classes only must register by August 27, 1986. Employee tuition cards are available in the Evening Classes Office.

Registration

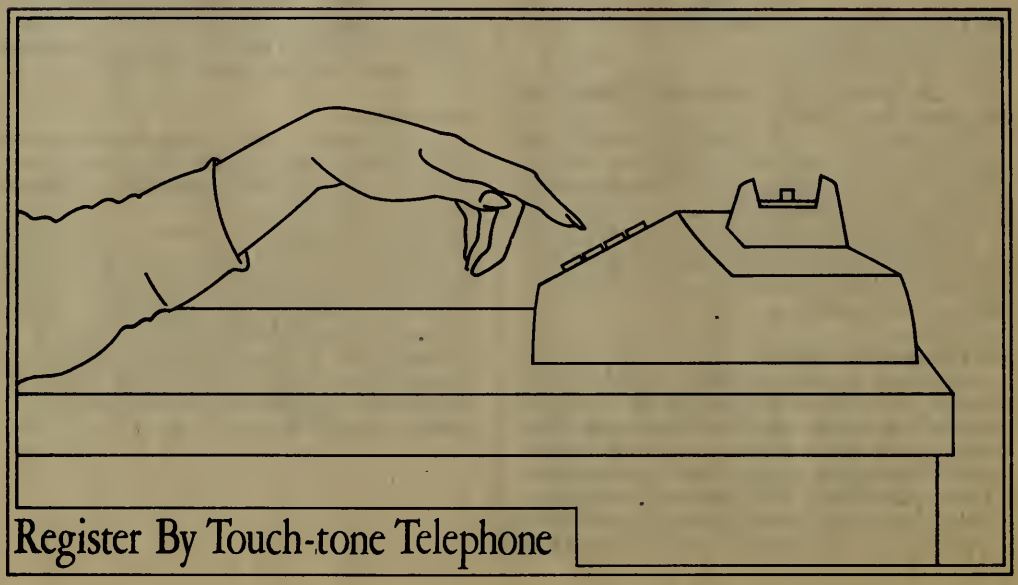

Forms for registering may be obtained at the department offices (120 HCEB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. **All completed registration must be turned in to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change of Registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (120 HCEB). A $10.00 fee is charged for the service after registration has been finalized.

Final Examination Schedule for Day Classes

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review and study and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second-block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held December 9, 10, 11, 12, 13, with reading days December 6, 8; therefore, Friday, December 5, 1986, will be the last day of instruction.

Class Schedule Abbreviations

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT–the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalog for a listing of the colleges and departments at BYU.

CATG NO–the catalog number. Enter this number in the second column of the work sheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1–99
Lower-division courses	100–299
Upper-division courses	300–499
Courses for graduates or advanced undergraduates	500–599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two R courses with the same number on a transcript are treated as two independent courses.

If an R course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB or QZ–lab or quiz section only.

SEC–section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number in the third column of the work sheet.

INDEX–index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the work sheet.

CR HR–credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. **V means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule** (see advisement center for further information). *Arr.* means credits to be arranged.

BLK–block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT–class days.

ROOM–BLDG–where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT–classes restricted to particular students.

GE CATG–General Education Category–E = Freshman English, M = Precollege Mathematics, AL = Arts and Letters, NS = Natural Sciences, SS = Social Sciences, AW = Advanced Writing, L/M = Foreign Language or Mathematics Requirement.

APPROV OR FEE–classes requiring special approval. See the explanatory footnote at the bottom of every other page.

TBA–to be announced (see department).
